AN ACT authorizing the provincial board of any province organized under "the provincial government act" to use portions of the provincial funds in cer:ain cases for the construction and repair of roads and bridges within the inhabited parts of the municipalities.

By authority of the United States, be it enacted by the Philippine Commission, that:

Section 1. The provincial board of any province organized under "The Provincial Government Act" is hereby authorized, in its discretion, to expend a portion of the funds in the provincial treasury for the construction and repair of roads and bridges in the inhabited parts of the province whenever the board shall determine that the municipality within the inhabited parts of which such roads and bridges are situated is financially unable to make the construction or repairs referred to, and that the construction or repair of such roads and bridges is of general importance to the province and ought to be made in whole or in part out of provincial funds, any-

thing in existing legislation to the contrary notwithstanding.

SEC. 2. In case the provincial board shall determine that a road or bridge of general importance to the province, within the inhabited portion of a municipality, is in need of repair, and shall notify the municipal council of the municipality in which such road or bridge is situated of the necessity of such repairs, and the municipal council shall fail for thirty days to proceed to make the repairs required, the provincial board is hereby authorized to make such repairs out of provincial funds and to assess the whole or any equitable part of the expense thus incurred against the delinquent municipality, taking into consideration in such assessment the ability of the municipality to bear the whole or any portion of the expense, and the utility of the road or bridge for the general interests of the province: *Provided*, That the authority granted in this and the preceding section shall not apply to purely local roads or bridges. It shall be the duty of the municipal treasurer to pay to the provincial treasurer such sum or sums as may be assessed against the municipality by

virtue of the provisions of this section.

AN ACT appropriating ten thousand dollars in money of the United States, or so much thereof as may be necessary, to enable the Auditor for the Philippine Archipelago to prepare for the Secretary of War for transmittal to Congress at its ensuing regular session special detailed reports of the receipts and expenditures of the Government of the Archipelago for the fiscal year nineteen hundred and two.

By authority of the United States, be it enacted by the Philippine Commission, that:

SECTION 1. There is hereby appropriated out of any funds in the Insular Treasury not otherwise appropriated the sum of ten thousand dollars, in money of the United States, or so much thereof as may be necessary, for the employment of such extra service in the office of the Auditor for the Philippine Archipelago as may be required to enable the Auditor to submit to the Secretary of War, for transmittal to Congress during its ensuing regular session, audited detailed statements of the receipts and disbursements of the Government of the Archipelago, and the provincial governments thereunder, for the fiscal year nineteen hundred and two.

SEC. 2. For the purpose of executing this work within the time required the Auditor is hereby authorized to expend the sum appropriated, in whole or in part, for the

payment of such overtime services or work in excess of the number of hours of service now required by law as may be rendered by the regular employees of his Burean or by the employees of other offices or Bureaus, at such rate of compensation as may seem to him equitable and proper, the provisions of Act Numbered One hundred and forty-eight to the contrary notwithstanding. The Auditor is further authorized to employ such additional emergency clerks as may be required to complete said work, such clerks to be employed by selection from the eligible lists of the Civil Service Board if a sufficient number of competent persons is available. If a sufficient number is not available such clerks may be selected by any test of fitness which may be prescribed by the Auditor and approved by the Civil Service Board.

SEC. 3. The appropriation herein made shall be withdrawn from the Insular Treasury in local currency at the rate authorized at the time of such withdrawal, and so

disbursed.

SEC. 4. The public good requiring the speedy enactment of this bill, the passage of the same is hereby expedited in accordance with section two of "An Act prescribing the order of procedure by the Commission in the enactment of laws," passed September twenty-sixth, nineteen hundred.

SEC. 5. This Act shall take effect on its passage.

Enacted, September 15, 1902.

AN ACT amending act numbered one hundred and seventy-five, entitled "An Act providing for the organization and government of the insular constabulary, and for the inspection of the municipal police," so as to provide for the maintenance of the present telegraphic system in the archipelago, so far as may be desirable and practicable.

By authority of the United States, be it enacted by the Philippine Commission, that:

SECTION 1. The Chief of the Philippines Constabulary is hereby authorized and directed to take charge of all telegraph or telephone lines heretofore operated by the Signal Corps of the United States Army, Division of the Philippines, which have been abandoned by that Corps or which may hereafter be abandoned or turned over to him by it, so far as in his judgment it may be in the public interest to do so, and as may be feasible and practicable. He is authorized to change telegraph lines into telephone lines or vice versa whenever it is desirable in the interest of economy so to do. He is also authorized and directed to receive and receipt for all telegraph and telephone lines, or other telegraph or telephone property, which may be turned over

to him by the Signal Corps.

SEC. 2. In order effectually to operate and maintain these telegraph or telephone lines, he is authorized to employ the necessary number of experienced telegraph operators, and to appoint them inspectors of constabulary, and to assign them to duty in the Telegraphic Division of the Philippines Constabulary, which is hereby created. It shall be within his discretion to appoint them first, second, third, or fourth class inspectors and subinspectors, and to promote them from one class to another, as he may deem best in the public interests. He is also empowered to enlist, as privates, corporals, or sergeants, telegraph and telephone operators, to be employed as telegraph or telephone operators, or in any other capacity connected with the operation and maintenance of telegraph and telephone lines, and to fix their compensation subject to the approval of the Secretary of Commerce and Police. He is also authorized to use such of the Philippines Constabulary as are available and as he may deem necessary and desirable, in the construction, repair and maintenance of telegraph and telephone lines. He is further authorized to transmit messages over either the telegraph or telephone lines under his control for private persons or corporations, charging reasonable compensation therefor, and shall make and publish a tariff of charges for such service to be approved by the Secretary of Commerce and Police, and the money received therefor shall be accounted for by him and covered into the Insular Treasury as other public funds are accounted for and covered into the Treas-He is hereby directed to make a separate quarterly report, through the Secretary of Commerce and Police, to the Commission, showing the number of inspectors and enlisted men in the Division of Telegraphs, and the probable increase for the ensuing quarter, the amount received by him from the general public as tolls for messages transmitted, and such other information as may be deemed of interest.

AN ACT to provide for taking a census of the Philippine Islands.

By authority of the United States, be it enacted by the Philippine Commission, that:

Section 1. A census of the population by name, age, sex, race or tribe, nativity. and literacy, of school attendance, of ownership of homes, and of industrial and social statistics for each province and municipality, and other civil divisions of the Philippine Islands, in accordance with the Act of Congress, approved July first, nineteen hundred and two, shall be taken in the year ninteen hundred and three.

SEC. 2. There shall be established in the Department of Public Instruction a Census Bureau, the chief officer of which shall be the Director of the Census, who shall be appointed by the Civil Governor, by and with the advice and consent of the Commission. The Director of the Census shall be charged with the collection, tabulation, and publication of the statistics required by this Act. He may be, with the consent of the President of the United States, a general officer of the United States Army. In case a general officer is thus appointed, he shall be paid, in lieu of all allowance for forage, fuel, and quarters, to which he would be entitled under the Army regula-

tions, the sum of ten dollars per diem, payable out of the Insular Treasury.

There shall also be two Assistant Directors of the Census, to be appointed by the Civil Governor, by and with the advice and consent of the Commission, who shall

be experienced, practical statisticians, and who shall be paid a salary of seven hundred and twenty dollars per month each, and whose appointment as Assistant Directors of the Census may be terminated by the Director of the Census as soon after their return to the United States as may be desirable: Provided, however, That nothing herein contained shall be construed to establish a permanent Census Bureau.

SEC. 3. During the absence or disability of the Director of the Census, one of the Assistant Directors, to be designated by the Director, shall perform the duties of the Director, and at all other times the Assistant Directors shall perform such duties as

may be prescribed by the Director of the Census.

SEC. 4. There shall also be in the Census Bureau, to be appointed by the Director thereof, one chief clerk, who shall receive a salary at the rate of two thousand two hundred and fifty dollars per year; three secretaries, each at a salary of one hundred and fifty dollars per month; six clerks, each at a salary of one hundred and thirtythree dollars and thirty-three cents per month; and such number of clerks and skilled laborers, at a monthly salary of not more than eighty-five or less than sixty dollars per month, to be appointed from time to time, as may be found necessary

for the prompt and proper performance of the duties herein required.

SEC. 5. The collection of the information required by this Act shall be made under the direction of the Director of the Census by supervisors, enumerators, and special agents, whose inquiries shall be restricted to the population, schools, agriculture, and industrial and social statistics, separately for each province and municipality and other civil divisions as the census schedules, approved by the Secretary of Public Instruction, may require: Provided, That whenever an official registration of mortuary or other statistics is and has been maintained, the Director of the Census may employ experts or special agents to investigate and ascertain such statistics, whether of manufacturing, railroad, fishing, mining, telegraph, express, transportation, insurance, banking, or of such other industries, as the Secretary of Public Instruction may direct.

SEC. 6. The supervisors, enumerators, and special agents shall be appointed by the

Director of the Census, by and with the advice and consent of the Civil Governor: Provided, That all insular, municipal, and provincial officials, and such officers and enlisted men of the Army as may be designated by the Commanding General, Divi-

SEC. 7. For the purposes of this census, the Director of the Census shall divide the Philippine Islands into fifty supervisors' districts, more or less, the boundaries of which shall, whenever practicable, conform to the boundaries of the insular provinces. Each supervisor shall be duly commissioned by the Civil Governor, and before entering upon his duties, shall take and subscribe the following oath before any official authorized to administer oaths:

"I, ....., supervisor of the supervisor's district, do solemnly swear that I recognize and accept the supreme authority of the United States of America and will maintain true faith and allegiance thereto, and that I will, to the best of my ability, enumerate, or cause to be enumerated, all the inhabitants of such district, and will collect, or cause to be collected, the other statistical information within the same, as required by law or regulation, and will faithfully perform all the duties enjoined on me by law providing for the taking of the Census. So help me God."

This oath, when duly executed, shall be forwarded to the Director of the Census

and duly filed in his office.

SEC. 8. Each Supervisor of the Census shall be charged, within his district, with

the performance of the following duties:

First. To consult with the Director of the Census in regard to the division of his district into enumeration districts most convenient for the purpose of enumeration, which districts and the limits thereof shall be fixed by the Director of the Census.

Second. To nominate to the Director of the Census suitable persons as enumerators and special agents within his district, one or more for each enumeration district, who shall be resident therein. In case it shall occur in any enumeration district that no person is qualified and willing to perform the duties of enumerator, the supervisor may nominate any fit person to be the enumerator of that district: Provided, That in no case shall a supervisor nominate as enumerator or special agent his father, mother, son, daughter, niece or nephew, or any other relative by blood or marriage within the fourth degree.

Third. To communicate to enumerators and special agents the necessary instructions and directions relating to their duties as enumerators or special agents, taking

care that they are perfectly understood.

Fourth. To examine thoroughly the schedules and other returns and reports of the enumerators and special agents, causing all discrepancies or deficiencies appear-

ing on them to be corrected or supplied, and to forward them to the Director in such time and in such manner as shall be prescribed by him.

Fifth. To make such visits of inspection throughout his district as may be neces-

sary to ascertain the progress and efficiency of the enumeration.

Sixth. To prepare and forward promptly at the close of each month to the disbursing officer designated to make payments in his district in behalf of the Census, all accounts and vouchers covering the service of himself, his clerk, his messenger, and each enumerator, as well as for other necessary expenses, which vouchers the supervisor shall certify to be true and correct. Payments on such vouchers may be made by check in favor of each person to whom payment is due, or in money, as may be most convenient. All accounts of special agents and enumerators shall be sworn to by them as correct and just before the same are submitted to the district super-

visor for certification for payment by the designated disbursing officer.

The duties imposed on the supervisors by this Act shall be performed in any and all particulars in accordance with the instructions and directions of the Director of the Census, and any supervisor who may abandon, neglect, or improperly perform the duties required of him by this Act, may be removed by the Director of the

Ceneus.

Each supervisor shall receive a salary of one hundred and seventy-five dollars per month, such sum to be in full compensation for all services rendered and expenses incurred by him: Provided, however, That when he is traveling under orders or in serious emergencies arising during the progress of the enumeration in his district, or in connection with the enumeration of any subdivision, he may, in the discretion of the Director of the Census, be allowed the actual cost of transportation and one dollar and fifty cents per day, money of the United States, in lieu of subsistence, during his necessary absence from his place of residence in his district. He shall also be entitled to one clerk at a salary of sixty dollars per month, and one messenger at a salary of thirty dollars per month: *Provided*, That one-half of the salary due each supervisor shall be withheld and not paid him until after the schedules or other returns and reports required of him shall have been duly rendered to the Director of the Census.

SEC. 9. Each enumerator and special agent shall be commissioned by the Director of the Census, and before entering upon his duties shall take and subscribe to the following eath before the supervisor of the district or any official having authority to administer oaths:

"I, ....., an enumerator (or special agent) of the ...... supervisor's district, do solemnly swear that I recognize and accept the supreme authority of the United States of America, and will maintain true faith and allegiance thereto, and that I will make a true and exact enumeration of all the inhabitants within the enumeration district assigned to me, and will also faithfully collect the other statistics therein in the manner provided by law for taking the Census, and in conformity with all lawful instructions I may receive, and will make due and correct returns thereof in the manner prescribed. So help me God."

This oath, when duly executed, shall be forwarded to the supervisor, and by him to the Director of the Census, and filed in his office.

SEC. 10. Each enumerator shall be charged with the collection, in his enumeration district, of the facts and statistics required by the population schedules, and such other schedules as the Secretary of Public Instruction may prescribe for use in connection with the Census. It shall be the duty of each enumerator to visit personally each dwelling house in his district, and each family therein, and each individual living out of a family in any place of abode, and by inquiry made of the head of each family, or of the member thereof deemed most creditable and worthy of trust, or of each individual living out of a family, to obtain each and every item of information, and all the particulars required by the Census schedules, and of such date as may be hereafter prescribed by the Commission as the day on which the Census shall be taken. And in case no person shall be found at the usual place of abode of such family, or individual living out of a family, competent to answer the inquiries made in compliance with the requirements of this Act, then it shall be lawful for the enumerator to obtain the required information, as near as may be practicable, from the family or families, or person or persons, living nearest to such place of abode; and it shall be the duty of each enumerator to take in person, or forward by mail, as may be most expeditious and secure, the original schedule, duly certified, to the supervisor of Census of his Census district, and in the event of discrepancies or deficiencies being discovered in his said schedule, he shall use all diligence in correcting or supplying the same as the supervisor of his district shall direct. As far as practicable, each enumeration district shall be coterminous with municipalities, entire bar-

rios, or incorporated cities, but when this is not practicable, and an enumeration district shall include a part only of a municipality, barrio, or incorporated city, it shall be the duty of the enumerator of such district clearly and plainly to distinguish, and separate in the population schedules, the inhabitants of all or any part of such municipality, barrio, incorporated city, from the inhabitants not included in his dis-Each enumerator and special agent shall receive a salary of two dollars and fifty cents per diem, such sum to be full compensation for all services rendered, and all expenses incurred by him, the hire of boats when actually necessary excepted, for which he shall be allowed the actual and necessary cost if approved by the supervisor of his district: Provided, That eight hours of active enumeration shall constitute a day's work, and that one-half of the salary due each enumerator or special agent shall be withheld and not paid him until after the schedules or other returns or reports required of him shall have been duly rendered to the supervisor of his district.

SEC. 11. In the event of the death of any supervisor, enumerator, or other officer or employee of the Census, after his appointment and entrance on his duties, the Director of the Census is authorized to pay the legal representative of such deceased official or employee such sum as he may deem to be just and fair for the services rendered by said official or employee, not exceeding in any case the per diem allowance provided in the preceding section, for the days during which the deceased was

actually employed.

SEC. 12. The district assigned to any enumerator shall not contain more than one thousand five hundred inhabitants for urban, or more than one thousand inhabitants for suburban or rural districts, according to such estimates as may be considered reasonable by the Director of the Census, and the boundaries of all enumeration districts shall be as far as practicable those of barrios or other civil divisions, or rivers, roads, or other easily distinguished lines: Provided, That enumerators may be assigned for the special enumeration of institutions, when desirable, and that competent women may be employed in taking the Census.

SEC. 13. Any supervisor of the Census may, with the approval of the Director of the Census, remove any enumerator in his district and fill the vacancy thus caused or otherwise occurring. Whenever it shall appear that any portion of the enumeration and Census provided for in this Act has been negligently or improperly taken, and is by reason thereof incomplete or erroneous, the Director of the Census may cause such incomplete and unsatisfactory enumeration and Census to be amended or

made anew under such methods as may, in his discretion, be practicable.

SEC. 14. The Director of the Census may employ, and may authorize and direct supervisors of the Census to employ, interpreters to assist the enumerators of their respective districts in the enumeration of persons, the compensation of such interpreters not to exceed two dollars and fifty cents per day, for each day actually and necessarily employed.

SEC. 15. No Census clerk, interpreter, or messenger shall enter upon his duties until

he has taken and subscribed to the following oath:

"I, ...., do solemnly swear that I recognize and accept the supreme authority of the United States of America, and will maintain true faith and allegiance thereto, and that I will honestly and faithfully perform such duties in connection with the Census of the Philippines as may be intrusted to

So help me God.'

This oath, when executed, shall be forwarded through the Census supervisor of the proper province to the Director of the Census and be duly filed in his office. No supervisor, supervisor's clerk, enumerator, or special agent shall be accompanied by, or assisted in the performance of his duties by, any person not duly appointed as an officer or employee of the Philippine Census, and to whom the oath or affirmation has not been duly administered. All appointees and employees provided for in this Act shall be appointed or employed solely with reference to their fitness to perform the duties of the position to which they may be appointed, and, wherever practicable, shall be natives of the Philippine Islands, and such employees and appointees shall not be subject to the provisions of the Civil Service Act, Numbered Five, and the amendments thereto: Provided, however, That the Director of the Censes is authorized to call upon the Civil Service Board in cases in which he deems it practicable and useful to certify an eligible list for any position to be filled by appointment in the Bureau, and it shall then be the duty of the Civil Service Board to make proper certifications as in other cases.

SEC. 16. The enumeration of the population required by this Act shall commence

on such date as may be hereafter proclaimed by the Civil Governor, and shall be taken as of that date. The proclamation of the Civil Governor shall also specify general periods within which the schedules shall be returned to the proper supervisor. And it shall be the duty of each enumerator to complete the enumeration of

his district and to prepare the schedules and returns hereinbefore required to be made, and cause the same to be delivered to the supervisor of the Census of his district on or before the date which may be designated in said proclamation of the Civil Governor.

SEC. 17. If any person shall receive or secure to himself any fee, reward, or compensation for the appointment, employment, or retention of any person as enumerator or clerk or other employee, he shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not more than one thousand dollars, or be imprisoned

not more than one year, or both.

SEC. 18. If any supervisor, supervisor's clerk, enumerator, interpreter, special agent, or other employee, who, having taken and subscribed the oath of office required by this Act, shall, without justifiable cause, neglect or refuse to perform the duties enjoined on him by this Act, or shall, without the authority of the Director of the Census, communicate to any person, not authorized to receive the same, any information gained by him in the performance of his duties, he shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not exceeding five hundred dollars; or if he shall willfully and knowingly swear or affirm falsely, he shall be deemed guilty of perjury, and upon conviction thereof shall be punished accordingly; or if he shall willfully and knowingly make a false certificate, or a fictitious schedule, or other return or report, he shall be guilty of a misdemeanor, and upon conviction of either of the last-named offenses he shall be fined not exceeding two thousand

dollars, and be imprisoned not exceeding two years.

SEC. 19. Each and every person more than twenty years of age belonging to any family residing in any enumeration district, and in case of the absence of the heads and other members of any such family, then any representative of such family, shall be, and each of them hereby is, required, if thereto requested by the proper supervisor, or enumerator, or special agent, to render a true account, to the best of his or her knowledge, of every person belonging to such family in the various particulars required, and whoever shall willfully fail or refuse to render such true account shall be guilty of a misdemeanor, and upon conviction thereof shall be fined in a sum not exceeding one hundred dollars. And every president, treasurer, secretary, director, agent, or other officer of every corporation, and of every establishment of productive industry, or social or religious institution, whether conducted as a corporate body. limited liability company, or by private individuals, or the owner, lessee, agent, or manager of any farm, plantation, or hacienda, from whom answers to any of the schedules, inquiries, or statistical interrogatories, provided for by this Act, are herein required, who shall, if thereto requested by the Director, an Assistant Director, a supervisor, an enumerator, or a special agent, willfully neglect or refuse to give true and complete answers to any inquiries authorized by this Act, or shall willfully give false information, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not exceeding three thousand dollars, to which may be added imprisonment for a period not exceeding one year. No person shall be required to answer any questions for the Census or shall be punished for willful failure to answer the same under this section if, upon demand, the person asking the same shall not first produce his lawful commission as supervisor, enumerator, or special agent authorizing him to make such inquiries. Any person falsely impersonating a supervisor, enumerator, or special agent, or other Census officer or employee for the purpose of getting access to private premises or eliciting information or any other purpose, shall be fined not exceeding one thousand dollars or imprisoned not more than one year, or both, in the discretion of the court.

SEC. 20. The Director of the Census may authorize the expenditure of the necessary sums for the per diem and traveling expenses of the supervisors, enumerators, and special agents as hereinbefore limited, and also for the per diem and traveling expenses of other officers and employees of the Census to be allowed for the purposes of this Act and the amount thereof to be fixed in the discretion of the Director

of the Census.

AN ACT to repeal Acts Numbered One hundred and eighty, Two hundred and thirty-two, and Three hundred and seventy-three, amendatory of Act Numbered Seventy-four, establishing a Department of Public Instruction, to repeal a certain paragraph in Act Numbered Four hundred and thirty relating to night schools, and to amend Act Numbered Seventy-four by providing for the division of the archipelago into thirty-six school divisions, to amend section thirteen of "The Provincial Government Act" Numbered Eighty-three, as amended, and for other purposes.

By authority of the United States, be it enacted by the Philippine Commission, that:

Section 1. Acts Numbered One hundred and eighty, Two hundred and thirty-two, and Three hundred and seventy-three, amendatory of Act Numbered Seventy-four, and the following paragraph in Act Numbered Four hundred and thirty: "No night school shall be maintained either in the city of Manila or elsewhere at the public expense in which the average attendance is not at least twenty-five pupils over the age of fourteen years," are hereby repealed.

SEC. 2. Act Numbered Seventy-four, establishing a Department of Public Instruc-

tion, is hereby amended as follows:

(a) By striking out wherever it is used in said Act the words "Department of Public Instruction" and inserting in lieu thereof the words "Bureau of Education."

(b) By striking out sections numbered one, three, five, six, nine, and fifteen and

inserting in lieu thereof the following sections:

"Section 1. A Bureau of Education for the Philippine Islands, under the executive control of the Department of Public Instruction, is hereby established, the central office of which shall be in the city of Manila. All primary instruction in the schools established or maintained under this Act shall be free, and all secondary instruction in the schools established by the several provinces shall be free at least to the pupils resident in the provinces in which the schools are established.

"SEC. 3. The chief officer of this Bureau shall be denominated the General Superintendent of Education and shall be appointed by the Civil Governor, with the advice and consent of the Commission. His annual salary shall be six thousand dollars, payable monthly. He shall have the following powers and duties, to be exercised and discharged under the general supervision of the Secretary of Public Instruction:

"(a) He shall establish primary schools in every pueblo in the Archipelago, where practicable, and shall reorganize those already established where such reor-

ganization is necessary.

"(b) He shall appoint, subject to the approval of the Secretary of Public Instruction, a city superintendent of schools for Manila, and division superintendents of schools for other parts of the Archipelago, and the teachers and clerks authorized by law, and shall prescribe the duties of such teachers and clerks.

"(c) He shall fix the salaries of teachers within the limits established by law.

"(d) He shall fix a curriculum for primary, secondary, and other public schools. "(e) He shall prescribe the authority to be exercised by the principal teacher of each school over the other teachers, if any, and his duties as teacher actually engaged

in the work of instruction and in caring for the schoolhouse and school property. "(f) He shall approve plans made by the Chief of the Bureau of Architecture, for the construction of schoolhouses to be built by the municipalities or provinces, shall fix the amount of land required in each case, and shall prescribe rules of hygiene which shall be observed in connection with the schools of the Archipelago

"(g) He shall have power to determine the pueblos in which English teachers, to be paid out of the Insular Treasury, shall teach. He may exercise this discretion in favor of those pueblos which shall construct and maintain suitable schoolhouses by

local taxation or contributions.

"(h) In case of a vacancy in the office of a division superintendent or that of the city superintendent of schools for Manila, he may discharge all the duties of such position during the vacancy, or he may designate a subordinate of the Bureau to discharge such duties temporarily in the same manner and with the same limitations as are provided in section two of Act Numbered Four hundred and eight.

"(i) He shall examine and pass upon all estimates made for funds by division superintendents and forward them, with his recommendation, to the Secretary of

Public Instruction for submission to the Commission.

"(j) On or before September first of each year he shall make a report of his administration for the previous twelve months to the Secretary of Public Instruction, who may call for special reports from time to time. In the regular annual report it shall be the duty of the Superintendent to recommend changes in the school law which he deems expedient.

'(k) He shall exercise general supervision over the entire Bureau and shall prepare and promulgate rules for the examination and determination of the qualifications of applicants for positions of division superintendents and teachers, and for the guidance of the teachers and officers of the Bureau, adapted to carry out this law and not

inconsistent with its provisions.

- "(l) He shall have authority to establish night schools, but no night-school class shall be maintained at the expense of the city of Manila or the Insular Government in which the average nightly attendance in each school month under each teacher is not at least fifteen pupils over the age of fourteen years. If it is found at the end of any month that the average nightly attendance of any class has been less than fifteen, such class shall be discontinued. The teacher of such class shall, however, be entitled to pay for each night of actual teaching during the month even if the average attendance has been less than fifteen, but a class discontinued for lack of the required attendance shall not again be organized except with the consent of the division superintendent and unless at least twenty-five pupils shall have been enrolled and shall have signified their intention of becoming regular members of the Teachers of night-school classes shall be paid only for nights of actual teaching.
- "SEC. 5. The Archipelago shall be and is hereby divided into thirty-six schooldivisions. In the First Division (the city of Manila and its barrios) there shall be a city superintendent of schools, and in each of the other divisions, except the Thirtythird, Thirty-fourth, Thirty-fifth, and Thirty-sixth, there shall be a regularly appointed division superintendent. AN ACT authorizing collectors of customs in the Philippine Archipelago to receive certain accepted or certified checks and certain bank notes in payment of customs duties.

By authority of the United States, be it enacted by the Philippine Commission, that:

Section 1. Collectors of customs at ports in the Philippine Archipelago are hereby authorized to receive in payment of customs duties either United States money or such coins now in circulation in the Philippine Islands as are prescribed by section eight of the Tariff Revision Law of nineteen hundred and one, enacted by the Congress of the United States March eighth, nineteen hundred and two, in the form of accepted or certified checks drawn on the banking institutions or corporations in this section named and accepted or certified by the corresponding banking institution or corporation in each case, or in the form of regular bank notes issued by El Banco Español-Filipino in the city of Manila, or both. The banking institutions or corporations to which this section shall apply shall be as follows:

(1) Any banking institution or corporation doing business in the Philippine Islands which is a depository of the United States Government or of the Govern-

ment of the Philippine Islands. (2) El Banco Español-Filipino.

SEC. 2. Such accepted or certified checks or bank notes, as the case may be, of the above banking institutions or corporations shall be received at the ports of entry in the Philippine Archipelago for the payment of customs duties, and shall likewise be received by the Treasurer of the Philippine Archipelago in the deposits of customs duties made with him by the collectors of customs in the Philippine Archipelago; and the Treasurer of the Philippine Archipelago is hereby authorized and directed

to give regular receipts for customs duties deposited with him in the form of such accepted or certified checks or bank notes in the same way as for customs duties deposited in coin or currency, and such receipts shall relieve the depositing officers above mentioned from any responsibility so far as the payment of said checks or bank notes by the corresponding banking institutions or corporations is concerned. And in case the corresponding banking institution or corporation refuses to pay any one of its accepted or certified checks or bank notes presented to it for collection or deposit by the Government of the Philippine Islands through the Treasurer of the Philippine Archipelago, or any other lawful agent, said Treasurer or lawful agent shall be relieved of any responsibility so far as the payment of said check or checks, or bank notes, by the corresponding banking institution or corporation is concerned, and the Government of the Philippine Islands shall have the right to proceed to the recovery of the amount of said unpaid check or checks, bank note or bank notes, from said defaulting banking institution or corporation either from the bonds, guaranties or deposits given as such Government depositories, or by any other lawful means within its power, and the person who made payment in such check or checks, bank note or notes, shall be liable for the duties for which the same were received, and to make immediate payment thereof. In case of payment by the original person against whom the duties were assessed he shall be entitled to the return of the note or check as received.

SEC. 3. The Collector of Customs for the Philippine Archipelago is further authorized and directed to discontinue the receipt of payment of customs duties by collectors of customs at other ports of accepted or certified checks or bank notes drawn on or issued by the banking institutions or corporations mentioned in section one of this Act, unless each of said banking institutions or corporations hereinbefore mentioned shall cash or receive for deposit, on presentation and demand by the Government of the Philippine Islands, through its lawful agents, any check accepted or certified by said banking institution or corporation at any place in the Philippine Islands where it is at present established or has a branch bank, or make good any bank note described in section one of this Act without loss, discount, payment of

commission or exchange of any kind, or unnecessary delay.

SEC. 4. All existing decrees, laws, regulations, or orders of the United States Philippine Commission or of the former Military Government of the Philippine Archipelago, or parts thereof, inconsistent with this Act are hereby repealed.

## [No. 484.]

AN ACT Providing for the granting of a franchise to construct an electric street railway on the streets of Manila and its suburbs and a franchise to construct, maintain, and operate an electric light, heat, and power system in the city of Manila and its suburbs, after competitive bidding.

By authority of the United States, be it enacted by the Philippine Commission, that:

SECTION 1. There shall be granted by the Municipal Board to the person or persons making the most favorable bid, as hereinafter provided, a franchise to construct and maintain in the streets of Manila and its suburbs an electric street railway and a franchise to construct, maintain, and operate an electric light, heat, and power system in the city of Manila and its suburbs.

SEC. 2. Subject to the necessary amendments to be fixed by the terms of the successful bid, the form of the franchise to be granted hereunder shall be in the words

and figures following:

### "FRANCHISE.

"A franchise is hereby granted to \_\_\_\_\_, for the period of \_\_\_\_\_ [not more than fifty years from the date hereof], to construct, maintain, and operate an electric street railroad in the city of Manila and its suburbs, over the streets, thoroughfares, bridges, and public places set forth in part one hereof; and to construct, maintain, and operate an electric light, heat, and power system for the purpose of generating and distributing for sale light, heat, and power throughout the city of Manila and its suburbs; all in accordance with the terms and conditions set forth in the two parts hereof, respectively (the terms and conditions in part one applying only to the franchise therein referred to, and the terms and conditions in part two applying only to the franchise therein referred to), and the laws and ordinances, not inconsistent herewith, now or hereafter in force.

#### "PART ONE.

"Paragraph 1. The grantee shall have the right and privilege, and is hereby authorized, subject to the laws and ordinances now or hereafter in force, not inconsistent herewith, to make all needful excavations and constructions in or upon any of the streets, thoroughfares, bridges, and public places designated in the next succeeding paragraph for the purpose of placing, removing, and repairing tracks, sidings, curves, switches, and connections, and erecting poles, wires, and other overhead structures for the maintenance and operation of an electric street railroad, and for the generation, conduction, and distribution of electric current for said street railroad and for build-

ing, maintaining, and operating power houses therefor.

"Par. 2. The streets, thoroughfares, bridges, and public places upon which the grantee is authorized to make such excavations and constructions are the following:

"(a) Commencing at the southerly end of the Bridge of Spain, to and along Calzada de Magallanes, across the Plaza de Martires to Calle Santo Tomas, thence to Calle Cabildo, thence to Calle Fundición, thence to Calle Palacio, thence through the wall and across the most to Paseo de Vidal, thence along Paseo de Bagumbayan to Calle San Luis, thence along Calle Real to Calle Cabañas, thence over the Bridge of San Antonio, and to the Passy race track.

Calle Cervantes to the San Lázaro race track. "(l) From the northerly end of the Bridge of Spain along the Escolta, across the

bridge over the Sibacon Estero to Plaza Santa Cruz.

"PAR. 3. The grantee shall have the right to lay double tracks upon each of the streets, thoroughfares, bridges, and public places mentioned in the last preceding paragraph, except the following, upon which, except with the express consent of the

Municipal Board to the laying of a double track, only single tracks shall be laid: "Calle Enrile, Calle Lacoste, Calle Carballo, Calle Sacristía, where these streets are less than twenty-four feet wide between curb lines; also Calle San Jacinto, Calle Nueva (Binondo), Calle de Cabaños; also Calle Cabildo, Calle Santo Tomas, Calle de Fundicion, Calle Palacio, Calle Aduana, these last four being the streets within the Walled City: Provided, That the grantee shall have the privilege, under the direction of the Municipal Board, of placing upon all of the foregoing streets the necessary turn-outs, switches, and sidings: And provided further, That in all streets, thorough-fares, bridges, and public places the tracks, rails, and other constructions of the grantee shall be so laid and located as to leave a clear driveway between the tracks and the curb line on at least one side of such tracks, where the width of the street between the curves makes it physically possible.

"Par. 4. The system of electric railroad to be installed hereunder by the grantee

shall be the 'overhead trolley system,' but the grantee shall have the right and privilege to modify, improve, and change such system in such manner as the progress of science and improvements in and the development of motive power may make reasonable and proper; and at any time after twenty-five years from the date hereof the grantee may be required, by ordinance or law, to remove all of its overhead wires and other structures, if reasonably practicable, and to substitute therefor underground

wires, or other approved conductor or motive power.

"PAR. 5. Standard T-rails of at least sixty pounds weight per yard may be used, and where used shall be laid and maintained true to the finished grade of the street or place, so that the grade of the street or place and the top of the rails shall present an unbroken surface, excepting that on the inner side of the rails of each track not more than sufficient space shall be left to allow the free passage of the car wheel flanges: Provided, however, That at least two miles of such tracks shall be laid with grooved rails of the most approved pattern, weighing not less than seventy pounds per yard, the Municipal Board to specify the streets or parts of streets where such grooved rails shall be laid: And provided further, That whenever in the future the Municipal Board shall pave streets or places in which the T-rail is laid, with blocks of stone, wood, or other material the grantee agrees to substitute for the T-rail in such streets, parts of streets or places, the grooved rail above described, if required to do so by the Municipal Board.

"PAR. 6. The gauge of all tracks laid or maintained hereunder shall be four feet

eight and one-half inches.

"PAR. 7. The grantee shall in all cases lay and maintain its tracks so as to conform to the grades of the streets, thoroughfares, bridges, and public places along or across which said tracks may be constructed, and whenever such grades shall hereafter be established or altered by the municipal authorities of the city of Manila the grantee shall immediately relay and maintain its tracks to such established grades at its own expense: Provided, That if any grade at which any such track is now laid is altered

by the said municipal authorities within seven years from the date hereof, the city of Manila shall not only furnish the material to enable the grantee to conform the bed of its tracks to the altered grade, but shall also furnish the material necessary to reconstruct the cement substructure of the track of the grantee at the new grade: .- 1 nd provided further, That whenever the grade at which any such track is laid is altered by the said municipal authorities after more than seven years from the date hereof, the city of Manila shall furnish the material to enable the grantee to conform the bed of its tracks to the altered grade, less the cement substructure of the track.

"Par. 8. The tracks, wires, and other constructions of the grantee shall be supported by and cross all bridges in the manner directed by the municipal authorities.

"Par. 9. The grantee shall pave and keep in good and permanent repair the surface of the street between its rails and between its tracks and for eighteen inches on each side of its tracks under the supervision of the municipal authorities and in such manner as they shall prescribe: *Provided*, That if the municipality shall order a change of the kind of pavement with which any street or place over which the line of the grantee runs is paved the materials necessary to enable the grantee to change the pavement of so much of the surface of the street as it is hereunder required to keep in good and permanent repair in order to conform to the change ordered by the municipal authorties shall be furnished by the municipal authorities to the grantee.

"Par. 10. The poles erected by the grantee for the operation of its railroad shall be of such height and shall be so located and painted as the municipal authorities shall direct. The poles shall not be of such crooked or ungainly appearance as to

disfigure the streets.

"PAR. 11. The trolley wires of the grantee may be suspended by span wires or brackets, shall have double insulation, and shall be strung at such heights above the ground as the municipal authorities shall direct. Feeder wires shall be of the insulated type known as 'triple braid weather proof,' and no overhead wire or conductor shall carry a potential greater than five hundred and fifty volts.

"Par. 12. The grantee shall at all times keep its tracks, rolling stock, and other

constructions in good condition. Two classes of cars shall be run, and at least sixty per cent of the cars run shall be second-class cars. The grantee hereof shall at all times furnish cars of both classes sufficient to satisfy the public demand and carry comfortably all the members of the public desiring to ride thereon: Provided, That, after one year of operation, the Municipal Board shall have the power, with the concurrence of the grantee of this franchise, to amend this paragraph so as to require that only one class of cars shall be run, upon which the lower rate of fare shall be

charged.

"Par. 13. Every motor car run by the grantee shall be equipped with a fender of

a type to be approved by the municipal authorities.

"PAR. 14. The maximum rate of speed at which the grantee may operate its cars

shall be fixed by the municipal authorities.

"PAR. 15. The fare charged by the grantee shall not exceed ..... cents in money of the United States on a first-class car, or ..... cents in money of the United States on a second-class car, for one continuous ride from one point to another on the railway system of the grantee within the city limits as now or hereafter established, whether it be necessary to transfer the passenger from one car or line of the grantee to another during said ride or not: Provided always, That where a change of cars is necessary there shall be established by the grantee a method of transfers not unreasonably burdensome in its restrictions to the transferred passengers; and in case of a failure to comply with the foregoing requirement as to transfers it may be enforced upon application of the Municipal Board by mandamus to the proper Court of First Instance or the Supreme Court: And provided further, That on lines running outside of the city limits an additional fare or fares may be charged at the rate of five cents in money of the United States on first-class cars, or three cents in money of the United States on second-class cars, for each two miles or fraction thereof beyond the then city limits: And provided further, That the grantee shall for four years from the date hereof accept local currency in lieu of money of the United States in payment for any ride or fare at the ratio of two cents local currency for one cent in money of the United States, until such time as there shall be established for these islands a gold standard coinage and money thereunder shall be made legal tender, after which time the fares to be charged shall be the equivalent of those stated above in money of the United States: And provided further, That pending the adoption of the gold standard, if the official ratio existing between the money of the United States and local currency shall exceed two dollars and forty cents of local currency for one dollar of money of the United States, then and in that case, the grantee may require from the passengers the payment for fares of sufficient local currency to be the equivalent of the fares above fixed in money of the United States at the official ratio. And provided further, That at any time after twenty-five years from the date hereof, upon due notice from the city of Manila to the grantee, the fares charged by the grantee may be readjusted on a reasonable basis by three arbitrators, one to be chosen by the city, one by the grantee, and the third to be selected by the two so chosen if they can agree, but if not, then to be selected by the Chief Executive of the Islands. award of the majority of such arbitrators shall be final. [No bids on this franchise shall be received for fares exceeding seven and one-half cents on a first-class car or five cents

on a second-class car in money of the United States.]
"Par. 16. Members of the Police and Fire Departments of the city of Manila wearing official badges shall be entitled to ride free upon the cars of the grantee, subject to such reasonable and proper restrictions as may be imposed. The fares charged children under seven years of age and children under sixteen years of age going to and from school shall not exceed half the ordinary rates of fare. Children in arms The grantee shall have the power to establish reasonable regulations shall ride free.

for identifying those children going to and from school.

"PAR. 17. Until such time as the fares herein fixed shall be readjusted the grantee shall place on convenient sale lots of one hundred tickets at the rate of .... ...... in money of the United States per one hundred, each of which shall be good for one first-class continuous ride on the cars of the grantee within the limits of the city of Manila; and lots of six tickets at the rate of . in money of the United States per six, each of which shall be good for one second-class continuous ride on the cars of the grantee within the city limits: Provided, That the grantee may issue such tickets subject to such reasonable restric-

tions as to the grantee may seem proper. [No bids will be received which shall fix the price of first-class tickets in lots of one hundred at the rate of more than six dollars in money of the United States, or which shall fix the price for lots of six second-class tickets at the rate of more than twenty-fire cents in money of the United States.]

"Par. 18. In compliance with the franchise held by the Companía de los Tran-

vias de Filipinas, the grantee herein shall pay to said Compañía de los Tranvias de Filipinas five per cent of one peseta per passenger for each kilometer of the line of said Compania de los Tranvias de Filipinas, and a proportionate amount for each

fraction of a kilometer of said line over which said passenger is transported.

"PAR. 19. The grantee shall be liable to pay the same taxes on its real estate, buildings, plant (not including roadbed and track, rolling stock, poles, and wires). machinery, and personal property as other persons are now, or hereafter by law may be required to pay. The grantee shall further pay to the municipal government of the city of Manila per cent of the fares collected and tickets sold within the limits of the city of Manila, and the same percentage of fares collected and tickets sold without the said limits to the proper municipality or municipalities of the Province of Rizal. Said percentage shall be due and payable by the grantee monthly, and shall be in lieu of all taxes and assessments of whatsoever nature, and by whatsoever authority, upon the privileges, earnings, income, franchises, road bed, track, rolling stock, poles, and wires of the grantee, from which taxes and assessments the grantee is hereby expressly exempted. [No bids will be received for this franchise which do not provide for the payment of at least one and one-half per cent of the fares collected and tickets sold.

"Par. 20. The grantee shall keep a record of all fares collected and tickets sold, which shall be subject to the inspection of the municipal authorities, who shall audit and approve the accounts of the company at the end of each month before the payment of the percentage tax. The accounts when audited and approved as herein provided shall be final and conclusive evidence of the liability of the company under

the provisions of paragraph nineteen.
"PAR. 21. The grantee shall begin the construction of the road within the city of Manila within six months from the date of the granting of the franchise, and shall complete the construction of the road and commence the operation of the same within twenty months after the expiration of said period of six months, unless prevented by an act of God, or the public enemy, usurped or military power, martial law, riot, civil commotion, or inevitable cause, and shall thereafter maintain a first-class street-railway service in every respect. The failure of the grantee to comply with the conditions of this paragraph shall render the franchise in this part described liable to forfeiture.

"PAR. 22. Upon the award of this electric street railway franchise and before the same is finally granted, the grantee shall pay to the Treasurer of the Philippine Archipelago, to the credit of the city of Manila, the sum of one hundred and seventyfive thousand dollars, money of the United States, in securities to be approved by the Civil Governor of the Philippine Islands, as security for the performance of the bid: Provided, That the said sum shall be repaid by the said Treasurer to the grantee in the event of the faithful performance by the grantee of all the conditions of this franchise and of all the obligations herein imposed on the grantee, whenever, within the period hereinbefore fixed, three-fourths of the mileage of the road covered by this franchise shall have been constructed. If, however, the grantee shall, within the time required, fail to perform the obligations of his contract, then the city may, by appropriate action, recover the sum so deposited as liquidated damages for the If the deposit of one hundred and seventy-five thousand dollars shall be in vested in interest-bearing securities, the interest shall be collected by the Treasurer and shall be turned over to the grantee as it accrues and is collected, until, and unless, the grantee shall fail to perform the obligation of his contract, when the thereafter accruing interest shall be regarded as part of the liquidated damages.

"Par. 23. The grantee shall hold the city of Manila harmless from all claims,

accounts, demands, or actions arising out of accidents or injuries, whether to property

Or persons, caused by the construction or operation of the road.

PAR. 24. All reasonable or proper or necessary changes on the lines or routes of the grantee may be made by the grantee, with the approval of the municipal authorities and the consent of the Civil Governor.

"Par. 25. The violation or the infringement by the grantee of any of the conditions or the terms as above set forth in part one hereof shall not subject or render liable to forfeiture the franchise more particularly described in part two hereof.

"PAR. 26. Whenever any franchise or right of way is granted to any other street railway company, now or hereafter in existence, over portions of the lines and tracks of the grantee herein, the terms on which said other company shall use such right of way, and the compensation to be paid to the grantee herein by such other company for said use, shall be fixed by the members of the Supreme Court, sitting as a board of arbitrators, the decision of a majority of whom shall be final.

"PAR. 27. Failure by the grantee to maintain a first-class street-railway service in every respect over any portion of its lines or tracks shall constitute an abandonment of such portion, and the grantee may be required by the city of Manila to remove the lines or tracks so abandoned, or the said city may cause such lines or tracks to be removed at the grantee's expense: Provided, That should any part of these lines be abandoned by the company without the consent of the municipal authorities such abandonment may constitute a ground of forfeiture of the entire street railway franchise herein conferred.

"Par. 28. At any time after twenty-five years from the date hereof the city of Manila may purchase, and the grantee shall sell to the city of Manila all of its lines, tracks, cars, real estate, buildings, plant, rights under this franchise, and other property used by it in the operation of a street railway in the city of Manila, at a valuation based upon the net earnings of the grantee, the valuation to be determined, after hearing evidence, by the Supreme Court of the Islands, sitting as a board of arbitrators, whose decision, by a majority of the members thereof, shall be final.

### "PART Two.

"PAR. 1. The grantee shall have the further right and privilege, subject to the laws and ordinances now or hereafter in force, not inconsistent herewith, of erecting, extending, and maintaining in and along the streets, thoroughfares, bridges, and public places of the city of Manila and its suburbs the necessary poles, wires, cutouts, transformers, and other appurtenances and overhead structures for the conducting and distributing of electric currents for light, heat, and power, and the furnishing and selling the same to any person, corporation, or public authority: Provided, That such electric current for the furnishing of light, heat, and power shall be furnished under regulations of the Municipal Board to any person within the corporate limits of the city, residing or doing business within such distance from the main lines conveying such current as the Municipal Board shall decide to be reasonable: And provided further, That the Municipal Board may require the extension of the main lines

of current in any direction within the city limits in its discretion.

"PAR. 2. The Municipal Board, with the approval of the Advisory Board and the Commission, shall have authority to fix, from time to time, by ordinance, the prices at which such current shall be furnished to private persons or corporations and to the city and the Insular Government: Provided always, That the prices so fixed shall be reasonable; and in case the Municipal Board shall disagree with the Advisory

Board as to reasonable rates, then the Commission shall fix them.

"Par. 3. All poles erected by the grantee shall be of such height and shall be so located and painted as the municipal authorities shall direct. The poles shall not be

of such crooked or ungainly appearance as to disfigure the streets.

"Par. 4. All the wires of the grantee shall have double insulation and shall be strung at such heights above the ground as the municipal authorities shall direct. Feeder wires shall be of the insulated type known as 'triple braid weather proof.' "Par. 5. The system used by the grantee shall be that known as the 'alternating current system': Provided, That where it is desired to furnish heat, power, or are lighting, direct currents may be used: And provided further, That in the carrying of currents, stringing of wires, insulation, and in all other respects, the grantee shall comply with the rules and regulations adopted or hereafter to be adopted by the National Board of Underwriters of the United States for the safeguarding of the conduct and use of electric currents in cities.

"PAR. 6. The plant and system of the grantee shall be erected, extended, and maintained according to the best and most approved type of modern electric light, heat, and power plants and systems, and shall conform in all respects to the laws

and ordinances now or hereafter in force, not inconsistent herewith.

"PAR. 7. The grantee shall begin the construction of the system within the city of Manila within six months from the date of the granting of the franchise, and shall complete the construction of so much of the system as shall be coextensive with the lines of the street railway to be constructed under Part One hereof, and commence the operation of the same within twenty months thereafter, unless prevented by act of God, or the public enemy, usurped or military power, martial law, riot, civil commotion, or inevitable cause. The failure of the grantee to comply with the conditions of this paragraph shall render the franchise in this part described liable to forfeiture.

"PAR. 8. The city of Manila shall have the privilege, without compensation, of using the poles of the grantee for the purpose of installing, maintaining, and operat-

ing a fire and police telegraph system.

The grantee shall be liable to pay the same taxes upon its real estate, buildings, plant (not including poles, wires, transformers, and insulators), machinery, and personal property as other persons are or may be hereafter required by law to pay. In consideration of Part Two of the franchise herein granted, to wit, the right to build and maintain in the city of Manila and its suburbs a plant for the conveying and furnishing of electric current for light, heat, and power, and to charge for the same, the grantee shall pay to the city of Manila not less than per cent of the gross earnings received from its business under this franchise in the city and its suburbs. Said percentage shall be due and payable at the time stated in paragraph nineteen of Part One hereof and after an audit like that provided in paragraph twenty of Part One hereof, and shall be in lieu of all taxes and assessments of whatsoever nature and by whatsoever authority upon the privileges, earnings, income, franchises, and poles, wires, transformers, and insulators of the grantee, from which taxes and assessments the grantee is hereby expressly exempted. [No bids will be received for this franchise which do not provide for the payment of at least one and one-half per cent of the gross earnings received by the grantee from its business in the city and its suburbs.]

"PAR. 10. The violation or infringement by the grantee of any of the conditions or terms as above set forth in Part Two hereof shall not subject or render liable to for-

feiture the franchise more particularly described in Part One.

"PAR. 11. Of the deposit of one hundred and seventy-five thousand dollars of securities required in paragraph twenty-two of the first franchise, twenty-five thousand dollars shall be held by the Treasurer of the Philippine Archipelago for the benefit of the city of Manila, to secure compliance with the second franchise herein granted, on the same terms as those contained in paragraph twenty-two above.

#### "PART THREE.

## "GENERAL PROVISIONS APPLYING TO BOTH FRANCHISES.

"PAR. 1. The franchises herein granted shall be subject to amendment, alteration, or repeal by the Congress of the United States, and the right to use and occupy the streets and other public lands herein granted shall revert to the city of Manila, the provincial government of Rizal, or to the Insular Government, as the case may be, upon the termination of these franchises by forfeiture, repeal, or expiration in due course.

"PAR. 2. It shall be a condition of the enjoyment of these franchises that the person or persons to whom they may be originally granted, under the provisions of this Act, shall, before April first, nineteen hundred and three, form a corporation under the laws of the Philippine Islands, hereafter to be passed, or under the laws of the United States or of any State thereof and whose charter shall comply with the laws prevailing in these Islands, to take over these franchises and to perform the terms thereof to be performed by the grantee thereof, in which no stock shall be issued or bonds sold except in exchange for actual cash or for property at a fair valuation equal to the par value of the stocks or bonds so issued or sold, and in which no stock or bond dividends shall be declared.

"PAR. 3. The books and accounts of such corporation shall be subject to official

inspection by the municipal authorities and by the Auditor for the Archipelago or his authorized deputies.

"PAR. 4. It shall not be lawful for the grantee of these franchises, or any vendee thereof, to use, employ, or contract for the labor of persons claimed or alleged to be

held in involuntary servitude.

"Par. 5. The corporation to be formed by the persons originally receiving the grant for the purpose of maintaining and operating these franchises under the laws of the Philippine Islands shall not have power to alienate the same except by con-

sent of the municipal authorities and the approval of the Civil Governor."

SEC. 3. Immediately after the passage of this Act it shall be the duty of the Municipal Board of Manila to advertise that such franchises as above described will be granted upon competitive bidding, and that the bids for compliance with the terms and conditions of the franchises shall be in the form of an obligation or contract to accept the franchises and comply with all their terms and conditions. Due advertisement of competitive bidding for the proposed franchises shall be made in three newspapers printed in the English language and two printed in the Spanish language in the city of Manila, and in two newspapers in the city of New York, in one newspaper in the city of Chicago, and in one newspaper in the city of Washington by two insertions per week for six weeks after the passage of this Act, and a single insertion per week for the subsequent six weeks. There shall also be a weekly insertion for the six weeks following the passage of this Act in a leading street railway journal in the United States. The text of this law, upon its passage, shall be immediately forwarded to the Bureau of Insular Affairs of the War Department, together with a copy of the map of the city showing the projected routes and shall remain on file in that Bureau for the information of bidders in the United States. The text of the law and a similar map shall be on file in the office of the Municipal Board of the city of Manila for the information of bidders in Manila. Bids for the franchises shall be received at any time after the passage of the Act and before the fifth of March, nineteen hundred and three, at the office of the Municipal Board in Manila. On the fifth day of March, nineteen hundred and three, all bids received shall be opened by the Municipal Board. The competition in bidding shall be with respect to three terms of the franchises. First the duration of the franchises as contained in the terms of the franchises: First, the duration of the franchises, as contained in the first paragraph thereof; second, the maximum of fares to be charged on the street railway, as contained in paragraphs fifteen and seventeen of the street railway franchise; and, third, the percentage of gross receipts per annum to be paid for the franchises, as contained in paragraph nineteen of the street railway franchise and paragraph nine of the electric light, heat, and power franchise. The Municipal Board, with the consent of the Advisory Board and the approval of the Philippine Commission, shall determine, in its discretion, the bid most favorable to the city and the public, and award the franchises, amended to include the terms of the successful bid on the points in competition, to the person or persons making such bid. In case the Municipal Board and the Advisory Board do not agree as to which bid is the most favorable bid to the city and the public, then the award shall be made by the Municipal Board in accordance with the decision of the Commission.

SEC. 4. Each bidder shall deposit before his bid shall be considered in the competition, as an evidence of good faith, the sum of seventy-five thousand dollars in money of the United States, in cash or certified check, with the Treasurer of the Archipelago. The deposits of unsuccessful bidders shall be returned to them immediately after the successful bidder has been determined according to law. The deposit of the successful bidder shall be retained and he shall add thereto one hundred thousand dollars in money of the United States to comply with paragraph twenty-two of the street railway franchise. The one hundred and seventy-five thousand dollars thus deposited by the successful bidder may be changed into the form of interestpaying securities, if approved by the Civil Governor, and shall be returned to the contractor in accordance with the terms of paragraph twenty-two of the first fran-

chise and paragraph eleven of the second franchise. SEC. 5. This Act shall take effect on its passage.

# ORDINANCES OF THE CITY OF MANILA.

GENERAL ORDERS, HRADQUARTERS PROVOST MARSHAL GENERAL, (SEPARATE BRIGADE, PROVOST GUARD), Manila, P. I., April 6, 1901.

I. The following act of the United States Philippine Commission, empowering the Provost Marshal General to make and issue police and health regulations for the city of Manila, is published for the information and guidance of all concerned:

[No. 62.]

AN ACT authorizing the Provost Marshal General to establish police and health regulations in the nature of municipal ordinances for the city of Manila.

By authority of the President of the United States, be it enacted by the United States

Philippine Commission, that:

SECTION 1. "The Provost Marshal General shall have power, subject to the approval of the Military Governor, to make and issue police and health regulations in the nature of municipal ordinances for the city of Manila, not in violation of existing orders of the Military Governor or legislation of the Commission, which he shall, after their issue, report to the Commission through the Military Governor.

SEC. 2. Provision may be made in said regulations for the hearing and punishment of violations of said regulations in the inferior or superior provost courts of Manila, but the punishment for such violation shall not exceed one hundred pesos or three months' imprisonment, or both.

SEC. 3. The Commission may suspend, amend or repeal said regulations. SEC. 4. This act shall take effect on its passage.

Enacted December 21, 1900."

II. Any person or persons violating any provision of any police or health regulation in the nature of a municipal ordinance prepared and issued in pursuance of the provisions of Act No. 62 of the U.S. Philippine Commission, published in paragraph one of this order, or of any instructions issued in pursuance of such ordinance, shall, upon conviction thereof, be punished by a fine or imprisonment, or both, at the discretion of the provost courts of the city of Manila: provided, that said fine shall not exceed one hundred pesos, and said imprisonment shall not exceed three months.

Approved:

ARTHUR MACARTHUR, Major General, U. S. Army, Military Governor.

III. The words "said city," "such city," "the city," and "city of Manila" whenever used in any police or health regulation, or in any instruction issued in pursuance of any such regulation, shall be held to mean and apply to the area or territory included within the limits described by General Orders, No. 14, Headquarters Provost Marshal General, Separate Brigade, Provost Guard, dated May 29, 1900, as follows:

### REGISTRATION AND DISPOSAL OF THE DEAD.

SECTION 1. Whenever any person shall die in the City of Manila, a certificate of death shall be furnished by the physician in attendance on such deceased person. If death occurs when there is no medical attendance, it shall be the duty of the Municipal Physician of the District in which such person shall have died, or of the City Coroner or any member of the Board of Health, whenever the case shall come under

his official notice, to furnish said certificate of death.

SEC. 2. Every certificate of death shall be written in ink on the form prescribed by the Board of Health of said city, and shall be forwarded to the office of the Board of Health within twenty-four hours after such death, to be entered in a register provided for that purpose, except in case of death from cholera, small-pox, chicken-pox, plague, diphtheria (including membranous croup), ship or typhus, typhoid, spotted, relapsing, or scarlet fever, measles, glanders, leprosy or anthrax, in which event notification of such death shall immediately be telephoned to the Office of the Board of Health, and the required certificate of death shall be sent within twelve hours thereafter.

SEC. 3. No person in the City of Manila shall knowingly make, sign, or deliver

any certificate of death herein provided for, not in accordance with the facts.

SEC. 4. Whenever it shall come to the knowledge of any person or persons that any human being has died from cause unknown, or under suspicious circumstances, it shall be the duty of such person or persons to immediately notify the officer in

charge of the nearest police station.

SEC. 5. The Board of Health of said city shall issue burial permits upon presentation of properly prepared certificates of death. No permit to bury, inter, or remove for interment or burial elsewhere, or cremate any human body, shall be granted or issued by the Board of Health until the certificate of death hereinbefore required shall have been registered at the Office of the Board of Health.

SEC. 6. No sexton, superintendent or other person having charge of a cemetery, burying ground or crematory, shall assist in, or assent to, or allow any interment, disinterment or cremation to be made until a permit from the Board of Health

authorizing the same has been presented.

SEC. 7. Any permit for burial, interment, disinterment or cremation shall be null and void after a period of 48 hours has elapsed from the time of issue of said permit.

SEC. 8. No dead body, or part of the dead body, of any human being shall be carried or conveyed from, into or through the City of Manila by any person, or by means of any boat, vessel, car, hearse, litter or other means of conveyance, or by any public or private vehicle, without a permit therefor issued by the Board of Health of said city. SEC. 9. A special permit shall be issued by the Board of Health for conveyance of a body to sea, whenever a person before death expresses a desire for burial at sea; provided, that the body be transported as prescribed by the Board of Health, and

the Marine Laws governing burial at sea are complied with.

SEC. 10. In all cases of transportation into and out of the City of Manila, by public conveyance, of the bodies of persons who have died from non-contagious diseases, the remains shall be placed in a metal-lined coffin or casket, to be hermetically sealed, and such coffin shall be encased in a strong outer box made of good, sound lumber, not less than one inch thick; all joints shall be ploughed, grooved, and glued; the top and bottom put on with cleats and crosspieces, and all parts put together with screws. All joints shall be tightly closed with pitch or white lead, rubber band placed on the upper edge between the lid and box, and strong handles placed on each side and end of said outer box. No permit shall be granted for the removal from or entrance into the City of Manila of the body of such deceased person, without the affidavit of a responsible person to the effect that the body, when presented for shipment, was encased in the manner above described.

SEC. 11. The body of any person who has died of any infectious or contagious disease in said city shall not be carried from place to place, except for the purpose of burial, cremation or shipment, nor in any conveyance other than a hearse or undertaker's wagon. Such body shall not be taken into any place of public assemblage, nor shall any person attend the funeral of such body except adult members of the immediate family of the deceased, his nearest friends, not exceeding two, and other

persons whose attendance is absolutely necessary.

SEC. 12. The Board of Health of said city may assume absolute control of the bodies of persons dead of infectious or contagious diseases, and may bury or cremate, or cause to be buried or cremated, in such place, and in such manner and with such precautions as the emergency may require and public safety demand, and no person, unless acting under instructions from said Board, shall bury or cremate any such bodies.

SEC. 13. The removal of any body from its original place of interment is declared to be a nuisance prejudicial to the public health, and is prohibited, unless the same shall be done by permission and under the direction of the Board of Health. Permits to disinter or exhume the bodies or remains of deceased persons may be granted after such bodies have been buried for a period of five years. The body or remains of the deceased, upon exhumation, shall immediately be enclosed in a metallic coffin or case, to be hermetically sealed; provided, that special permits may be issued for the disinterment or exhumation of remains of deceased persons after a burial of two years, if it be found that such disinterment or exhumation of remains will not be to the detriment of the public health. Provided, also, that special permits may be issued at any time for the disinterment or exhumation of the remains of deceased persons that have been embalmed by a registered undertaker or embalmer, or that have been placed in a receiving vault awaiting transportation from the Philippine Islands.

SEC. 14. The placing of the body of any deceased person in any unsealed overground tomb is prohibited, unless the coffin or casket containing the remains shall first be permanently and hermetically sealed in a metal case. This rule shall not apply to tombe or vaults that are strictly receiving vaults for remains awaiting ship-

ment from the Philippine Islands.

SEC. 15. It shall be the duty of the Board of Health to keep and maintain a full and complete record of the vital statistics herein provided for, and said Board is authorized to issue such instructions, approved by the Provost Marshal General, not in conflict with the provisions of this ordinance, as may be necessary to carry them into effect.

# ORDINANCE No. 4.

### THE COLLECTION AND DISPOSAL OF GARBAGE AND RUBBISH.

SECTION 1. The word "garbage," wherever used in this ordinance, shall be held to mean the refuse of such animal and vegetable matter or food supplies, as were intended for human food, but are rejected for such use, including also food supplies

that were spoiled, or unfit for use.

SEC. 2. The word "rubbish" wherever used in this ordinance shall be held to include: (a) All waste or used paper, paste-board, woven materials, matting, wood, straw, husks, metal cans or other metallic vessels, and broken glass or porcelain. (b) Loose or decayed materials and dirt-like substances which may accumulate from repairing operations or from storing or cleaning of property and goods. (c) The dung of cattle, horses and mules, also stable litter, refuse and sweepings.

SEC. 3. It shall be the duty of the occupant or occupants of every building, premises, or place of business within the City of Manila to provide, and at all times thereafter to keep, within such building, or place of business, or upon the premises, suitable and sufficient receptacles to contain, without leakage, all the garbage and rubbish that may accumulate from said building, premises, or place of business, or the portion thereof of which such person may be the occupant.

SEC. 4. A separate receptacle shall be provided and kept for all garbage, and another for rubbish, and it shall be unlawful for any person or persons to place or keep garbage in the same receptacle with rubbish, or to place or keep any of these

articles or substances in any place or vessel other than the receptacle provided

therefor.

Sec. 5. It shall be the duty of the occupant or occupants of every building, premises, or place of business, to place the receptacles for garbage and rubbish, on the outer curb of the sidewalk in front of the entrance to the same, each day between the hours of 5 o'clock A. M., and 6:30 o'clock A. M., for removal by the Department of Streets, Parks, Fire and Sanitation; provided, however, that nothing herein contained shall apply to: (a) Refuse from building operations or earth from excavations, which shall be removed by the builder or contractor; (b) Dung, stable litter, refuse and sweepings that accumulate in stables or places where more than six animals are kept, which substances shall be removed by the owner or person in charge of such premises.

SEC. 6. It shall be the duty of the Department of Streets, Parks, Fire and Sanitation to collect the contents of such receptacles, in suitable carts, daily at 6:30 o'clock A. M., or as soon thereafter as practicable; and immediately after such receptacles are emptied as aforesaid, it shall be the duty of the occupant or occupants of the

building, premises, or place of business, to remove them from public view.

SEC. 7. It shall be the duty of the police, inspectors and sanitary employees, to report promptly to the Department of Streets, Parks, Fire and Sanitation any and

all violations of the provisions of this ordinance

SEC. 8. The Department of Streets, Parks, Fire and Sanitation is authorized to issue such instructions, approved by the Provost Marshal General, not in conflict with the provisions of this ordinance, as may be necessary to carry them into effect. SEC. 9. This ordinance shall take effect and be in force from and after June 1, 1901.

#### ORDINANCE No. 5.

## CLEANING OF WATER CLOSETS AND CESS-POOLS, AND REMOVAL OF PUTRID AND OFFENSIVE MATERIALS.

SECTION 1. The collection and disposal of human excreta, and other noxious substances, in the City of Manila, shall be under the direction and supervision of the Board of Health.

SEC. 2. The contents of any water or earth closet. Privy vault, cess-pool or latrine, shall not be drawn off, or allowed to run off into any street or alley or over the ground in said city, and every person concerned in such disposal of the contents of any such closet, vault, cess pool or latrine, shall, upon conviction, be punished as provided by law. Nor shall any owner, agent, occupant or tenant of any building, premises, or other place to which any such closet, vault, pool or latrine appertains or is attached, permit the same to be flooded by rain water, nor permit any part of the contents of such receptacles to flow therefrom or to rise within six inches of the top; nor permit any substance in any house or other building on his premises or place of business to become a nuisance, or dangerous to health.

SEC. 3. Whenever a water or earth closet, privy vault, cess-pool or latrine needs cleaning, an application in the prescribed form shall be made to the Board of Health, which application, when approved, shall be good and valid only for the property

and during the time specified in a permit issued by the Board of Health.

SEC. 4. Whenever it comes to the knowledge of the Board of Health that a water or earth closet, privy vault, cess-pool or latrine is offensive, or dangerous to health, a notice shall immediately be served on the owner or agent of said premises, who shall immediately comply with all the requirements and conditions of said notice.

SEC. 5. No person shall deposit in any water or earth closet, privy yault, cess-pool

or latrine, any substances described under the names of garbage or rubbish as contained in Sections 1 and 2, of City Ordinance No. 4, dated May 2, 1901, City of Manila.

SEC. 6. Putrid and offensive materials, night-soil, the contents of water and earth closets, privy vaults, cess-pools or latrines, or any other noxious substance, shall not be removed by any persons other than those licensed under Section 7, of this ordinance, and none shall be dumped or deposited at any point other than that herein-

after specified; and no person shall throw, drop, or allow to fall into any estero or waterway of the City of Manila, or upon any street or place of said city, putrid or offensive material, night-soil, or any substance having been part of the contents of any water or earth closet, privy vault, cess-pool or latrine, or any other noxious substance.

SEC. 7. No person, firm or corporation shall enage in the business of collection or disposal of noxious and offensive substances in said city without a license therefor, duly issued by the Department of Licenses and Municipal Revenue, and approved by

the Board of Health.

SEC. 8. Every casco, banca, harge, or other craft, and every cart or other vehicle engaged in the transportation of putrid and offensive materials, night-soil, the contents of water and earth closets, privy vaults, cess-pools or latrines, or other noxious substances, shall have the word "Scavenger," and its number plainly painted in a conspicuous position on each side. The letters and figures shall be six inches high for cascos, bancas, barges, or other craft, and three inches high for carts and other vehicles, and shall be painted in a color in contrast with that of the casco, banca, barge or other craft, or cart or other vehicle.

SEC. 9. All the employees of the various public sanitary contractors shall at all times while at work, wear such distinguishing badge or badges as shall from time to

time be prescribed by the Board of Health.

SEC. 10. All putrid and offensive materials, night-soil, the contents of water and earth closets, privy vaults, cess-pools or latrines, or other noxious substances, shall, before removal or exposure, be disinfected by the owner or agent of the premises as

may be ordered by the Board of Health.

SEC. 11. All water and earth closets, privy vaults, cess-pools or latrines shall be cleaned between the hours of 11 P. M. and 5 A. M. only, and immediately upon completion of such cleaning, or at the hour of 5 A. M. (if the work be not sooner completed), every contractor so engaged shall cause all openings and excavations made into such closets, vaults or cess-pools to be closed up in a substantial and workman-

SEC. 12. The work of cleaning or removal having begun, the entire contents shall be transferred in the shortest possible time from the closet, vault, privy, cess-pool or latrine, to cascos, bancas, barges or other craft provided therefor. For such removal there shall be used screw-top or sealed air and water-tight barrels, or such other air

and water-tight receptacles as may be approved by the Board of Health.

SEC. 13. It shall be the duty of every contractor engaged in the removal of putrid and offensive materials, night-soil, the contents of any closets, vaults, privies, cesspools and latrines, or other noxious substance, to adopt such precautions as will pre-

vent the filth from falling upon the ground, floor, street or other place.

SEC. 14. Nor cart or other vehicle used by contractors for carrying putrid or offensive materials, night-soil, or the contents of any water or earth closet, privy vault, cess-pool, or latrine, or having in them any other noxious substance, shall occupy an unreasonable time in loading or unloading or in passing along any street, or through any inhabited place or area; nor shall an unnecessary number of such carts or vehicles gather before any residence, building or place of business.

SEC. 15. No casco, banca, barge, or other craft carrying any putrid or offensive material, night-soil, or the contents of any water or earth closet, privy vault, cesspool, or latrine, or having upon it any other noxious substance, shall occupy or remain in any waterway for a longer period than is necessary to load or unload such

craft or to pass along such waterway.

SEC. 16. The owner, or person in charge of each caseo, banca, barge or other craft carrying putrid or offensive materials, night-soil, the contents of water or earth closets, privy vaults, cess-pools or latrines, or other noxious substance, shall, before passing out of the Pasig River, take on a sanitary guard, to whom shall be delivered a certificate, properly filled out, giving the number of the casco, banca, barge or other craft, the contractor's name, the number of barrels or other approved receptacles in said boat, the places where collected, and the places where loaded. This form shall be obtained at the office of the Board of Health, and said certificate shall in all cases be signed by the registered contractor or authorized agent responsible for the casco, banca, barge or other craft.

SEC. 17. Every casco, banca, barge or other craft carrying putrid or offensive materials, night-soil, the contents of any water or earth closet, privy vault, cess-pool or latrine, or other noxious substance, shall be towed due west, and dumped in Manila Bay at or beyond a point on an imaginary direct line connecting Malabon,

on the north side of the Bay, and Cavite, on the south side of the Bay. SEC. 18. No casco, banca, barge or other craft, nor any cart or other vehicle, nor the tools or implements used in the removal of putrid or offensive materials, nightsoil, the contents of water or earth closets, privy vaults, cess-pools and latrines, or other noxious substance, shall be allowed to be in a condition needlessly filthy or offensive, and, when not in use, all such cascos, bancas, barges or other craft, carts or other vehicles, and all implements used in connection therewith, shall be stored

and kept in places approved by the Board of Health.

SEC. 19. No owner or person in charge of any casco, banca, barge or other craft, nor any driver of any cart or other vehicle, nor any person engaged in the loading or unloading or removal of any swill, garbage, rubbish, putrid or offensive materials, night-soil, or the contents of any water or earth closet, privy vault, cess-pool, or latrine, or other noxious substance, shall do, or permit to be done, in connection with said work, in any street, building, premises, place or waterway, that which shall be needlessly offensive.

SEC. 20. The Board of Health is authorized to issue such instructions, approved by the Provost Marshal General, not in conflict with the provisions of this ordinance,

as may be necessary to carry them into effect.

SEC. 21. This ordinance shall take effect and be in force from and after June 1,

By command of Brigadier General Davis, Provost Marshal General:

CHARLES T. MENOHER, Captain Artillery Corps, Acting Adjutant General.

GENERAL ORDERS, No. 23.

HEADQUARTERS PROVOST MARSHAL GENERAL, (SEPARATE BRIGADE, PROVOST GUARD), Manila, P. I., June 7, 1901.

Pursuant to the provisions of Act No. 62, of the United States Philippine Commission, and with the approval of the Military Governor, the following Municipal Ordinances are hereby made, and are issued for the information and guidance of all concerned.

ORDINANCE No. 6.

### AN ORDINANCE RELATING TO DISEASED ANIMALS.

Section 1. It shall be unlawful for any person owning or having in charge any domestic animal affected with glanders, farcy, or other infectious or contagious disease, knowing such animal to be diseased, to drive or permit the same to be driven

upon any street or public place, or to sell or dispose of such animal.

SECTION 2. Every veterinarian, physician or surgeon, and every person practicing as such, and every person owning or having animals in his care, shall present to the Board of Health a written notice over his signature, of every case of glanders, farcy, or other infectious or contagious disease in animals within the City of Manila, which may have come under his observation or to his knowledge, which notice shall be given within two days thereafter, and shall contain the name and residence of the possessor of the animal so far as the same can be ascertained, a description of the animal, and when last seen by the person giving the notice. It shall be the duty of members of the police to send to the city veterinarian all suspected animals that may come within their observation or knowledge.

SECTION 3. It shall be the duty of duly appointed veterinarians and veterinary inspectors to visit and inspect all stables within their jurisdiction containing a large number of animals, and all stables in which they have reason to believe there may be

diseased animals.

SECTION 4. Public veterinarians are authorized to condemn all animals having glanders, farcy, or other infectious or contagious disease, and when so condemned such animal shall be killed, and the carcass disposed of in such manner as the Board of Health may direct. Whenever an animal is found sick, with such disease the owner shall be called, if possible, the animal examined in his presence, and the nature of the disease explained. If the owner agrees to the correctness of the diagnosis, the animal shall be destroyed in the presence of the owner or his representative. In case he does not so agree, he may call a second veterinarian, and if the latter shall not agree with the public veterinarian, the animal shall be destroyed and a post mortem examination made by the public veterinarian in the presence of the owner or his representative. Should this examination disclose the fact that the animal was not affected, the owner shall be paid a fair market price for his animal from the public funds, such price to be determined by the two veterinarians, who may name a third person to appraise the animal, in case they do not agree.

SECTION 5. Every stable or other place where infected animals have been kept, shall be thoroughly disinfected by the Board of Health, and the proprietor thereof shall be charged a sum sufficient to cover the cost of such disinfection.

SECTION 6. The Board of Health is authorized to issue such instructions, approved by the Provost Marshal General, not in conflict with the provisions of this ordinance.

as may be necessary to carry the same into effect.

Section 7. All ordinances, orders and regulations inconsistent with the provisions of this ordinance are hereby repealed, and this ordinance shall take effect and be in force from and after June 25, 1901.

He shall take means to prevent all gaming or gambling, and to suppress all places where the same is carried on, and shall seize every table, instrument, device or thing used for the purpose of gaming, or gambling, and cause the same to be destroyed. He shall enforce all ordinances and regulations of the city, and perform such other duties and possess such other powers as the Provost Marshal General may prescribe.
- (c) He shall be charged with the protection of the rights of persons and property wherever found within the city limits, and shall make such disposition of the police force, as to afford the best protection to individual and property rights, and the public interests.
- (d) He shall, from time to time, divide the city into police districts, and establish one or more stations in each district; he may assign officers and members of the police force to any district, or any station therein, and transfer them at pleasure.

(e) He shall be responsible for all arms, equipment, books, records, and other

public property, belonging to, or in use by the department.

(f) He shall keep suitable books of record, showing the organization and disposition of the police force, persons arrested for offenses, property seized and disposition of the same, property belonging to or in use by the department, complaints against policemen and action taken thereon, time lost by members of the police force, moneys received and expended and for what purpose, licenses and permits issued, suspected persons and places, and such other books and records as may be required.

(g) He may appoint and reduce sergeants and corporals, and make such promotions and changes as he may deem advisable among the members of the police force

below the grade of lieutenant.

(h) He may suspend any officer or member of the police force for a period not to exceed ten days, for incompetence, improper conduct, or violation of any ordinance, regulation, order or instruction, pending an investigation of the same; and upon the conclusion of such investigation, and within ten days after such suspension, he shall return the officer or member to duty, or prefer written charges to the Provost Marshal General. Except by way of admonition, reprimand, and suspension for the above period, he shall not punish any officer or member of the police force, without the approval of the Provost Marshal General.

(i) He shall prepare and submit to the Provost Marshal General, on or before the fifth day of each quarter, a written report showing the condition of the police force, and a detailed account of all transactions, including receipts and disbursements of his department during the preceding quarter, with such suggestions for the improvement of the police force, its discipline and government, and the efficient police control of

the city, as he may deem necessary.

j) He shall prepare and submit to the Provost Marshal General, during the month of December of each year, an itemized estimate of the expense of providing for and maintaining the Department of Police during the ensuing year, with a statement

opposite each item of the corresponding expense for the current year.

Section 5. Each officer and member of the police force shall devote his entire time and attention to the discharge of the duties prescribed by the ordinances and regulations of the city, and shall give complete and unhesitating obedience to all orders and instructions from superior officers. It shall be his duty

(a) To preserve order, peace, and quiet; enforce all ordinances and regulations of the city, and apprehend and arrest all persons found in the act of violating any law,

ordinance, or regulation, or aiding or abetting such violation.

(h) To serve and execute warrants and other process for the apprehension and commitment of persons charged with the violation of any ordinance, or any crime or offense punishable by law, ordinance, regulation or order. Also to serve and execute any civil process issued by any Provost, Police, or other Court, or duly authorized

officer, in any case in which the city or the United States is a party.

SECTION 6. Whenever there is just cause to suspect that a felony has been, is being, or is about to be committed, within any building, ground, boat, or other premises in the city, the superintendent of police, or any officer authorized by him, may enter the same at any hour of the day or night, and take all necessary measures for the prevention of such felony, and may then and there take into custody all persons suspected of being concerned in such felony, and also take charge of all property which he shall have just cause to suspect has been stolen.

SECTION 7. It shall be unlawful for any member of the police force to receive for his own benefit any present, reward, fee, gift, or compensation for services of any kind, in addition to his regular salary, without the written consent of the superin-

tendent of police.

Section 8. Any officer or member of the police force who neglects or refuses to perform any of the duties required of him by ordinances, regulations, or orders, or to conform to the instructions for the Department of Police, or who, in the discharge of his official duties is guilty of any fraud, extortion, oppression, favoritism, or wilful wrong or injustice, shall be liable to trial therefor before any duly authorized court,

and to such punishment as it may impose, and may be dismissed from the police

force in addition thereto.

SECTION 9. It shall be unlawful for any person to resist any member of the police force in the discharge of his duty, or to in any way interfere with, hinder, or prevent him from discharging his duty as such member, or to assist any person to escape or attempt to escape from the custody of any member of the police force, or to attempt

to rescue any person in custody.

SECTION 10. It shall be unlawful for any person to impersonate, or falsely represent, any member of the police force, or maliciously, or with intent to deceive, to use or imitate any of the designs, signals, or other devices adopted and used by the police force, or, not being a member of the same, to wear in public the uniform or insignia

adopted for the use of the police force.

Section 11. The superintendent of police or any officer or member of the police force designated by him, shall have authority at any time to inspect the books and records of any person conducting a licensed business; and such books and records shall at all times be open to the inspection of the superintendent, or said officer or

member of the police force.

SECTION 12. The superintendent of police, or an officer or member of the police force designated by him, shall each day inspect the books and records kept by pawn-brokers, junk dealers, and second hand dealers, showing their entire daily purchases and sales; and such books and every article of value purchased or pledged, shall at all times be open to the inspection of any officer or member of the police

SECTION 13. All property found, seized, recovered, or in any away coming into the possession of the police, shall be deposited and kept in a place and by an officer designated by the superintendent, who shall be held responsible for the same. Such property may be returned to the owner, by order of any court having jurisdiction, or in the discretion of the superintendent, under receipt, when not further required as evidence in any case. If such property is not returned to or claimed by some person entitled to receive the same, within three months, it shall be sold at public auction, after due notice under direction of the superintendent, and the proceeds paid into the city treasury: PROVIDED, that this section shall not apply to any table, instrument, device or other thing used for the purpose of gambling, all of which shall be destroyed under the direction of the superintendent of police.

SECTION 14. No person shall be confined at any police station for a longer period than 24 hours, or such further time as may be necessary to bring the person before the first session of the proper court, except by special direction of the Provost Mar-

shal General or the superintendent of police.

SECTION 15. Pursuant to the provisions of Act No. 62, of the United States Philippine Commission, and with the approval of the Military Governor the following Municipal Ordinances are hereby made and are issued for the information of all concerned.

### ORDINANCE No. 8.

### AN OMDINANCE ESTABLISHING THE DEPARTMENT OF HEALTH AND FIXING ITS POWERS AND DUTTER.

SECTION 1. The Department of Health of the City of Manila is hereby established. It shall consist of the Board of Health, and such number of physicians, inspectors, agents and employees as may be necessary. The Department of Health as now organized is hereby continued.

SEC. 2. The members of the Board of Health shall be appointed by the Provost Marshal General, and may be removed by him at his discretion. All other assistants, agents and employees of the department shall be appointed by the Board of Health, and may be removed by it with the approval of the Provost Marshal General.

SEC. 3. The Board of Health shall consist of three members, one of whom shall be designated as president, and one as secretary. No person shall be eligible to appointment as a member of the Board of Health who is not a competent physician, holding

a certificate from some reputable school or college of medicine.

SEC. 4. The president shall be the chief medical and sanitary officer of the city. He shall preside at all meetings of the Board, and give all necessary directions for carrying out and enforcing the ordinances, regulations, and orders relating to the department, and the authorized decisions and rulings of the Board thereon. The secretary shall keep a record of the proceedings of the Board, and of the vital statistics of the city. All members shall attend the meetings of the Board, and perform such duties as may be prescribed by ordinance, or by resolutions of the Board.

SEC. 5. The Board shall hold regular meetings once each week, and special meetings at such times as may be necessary. Two members of the Board shall constitute a quorum, and two affirmative votes shall be necessary to the passage of any motion.

SEC. 6. It shall be the duty of the Board of Health:

(a) To exercise general supervision over the health and sanitary conditions of the city and its inhabitants, and to enforce all ordinances, regulations and orders in relation thereto.

(b) To divide the city into sanitary districts, assign physicians, inspectors and other necessary agents and employees thereto, and to issue suitable instructions. approved by the Provost Marshal General, for the organization, government and discipline of the department.

(c) To make diligent examination and inquiry with respect to all sources and causes of disease existing within the city, and all nuisances which are or may be injurious to the public health, and to abate and remove the same.

(d) To make, as often as may be necessary for the protection of the health of the inhabitants of the city, full, complete, and careful examination of all hotels, public houses, shops, buildings, tenements, dwellings, lots, railroad cars, steamers and other

craft, vaults, privies, sewers and drains within the city.

(e) To make an examination of all water supplied to the inhabitants of the city for drinking purposes, and the reservoirs, streams and sources of supply thereof, and, if said water is found to be impure, or in any way detrimental to the public health, to compel the person, firm, or corporation furnishing such water to take measures to cleanse and purify the same within such time and in such manner as the board may

(s) To secure and keep a full and correct record of vital statistics, including the registration of marriages, births and deaths, and the interment, disinterment and removal of the dead; and to publish the same monthly, together with such other

statistics as may be useful for the information or instruction of the public.

(t) To keep suitable books and records showing all its transactions, and containing such statistical information as may be necessary for the efficient working of the

department.

(n) To prepare and submit to the Provost Marshal General, on or before the 5th day of June of each year, an itemized estimate of the revenues of the department during the ensuing fiscal year, with a statement opposite each item of the corresponding revenues for the preceding twelve months ending May 31; also an itemized estimate of the cost and expense of providing for and maintaining the department during the ensuing year, with a statement opposite each item of the corresponding expense for the preceding twelve months.

(r) To prepare and submit to the Provost Marshal General, during the first week in January of each year, a report of the vital statistics, health, and sanitary conditions of the city, together with a detailed account of all transactions of the department during the preceding year, and such suggestions for the improvement of the depart-

ment of health, as it may deem necessary.

SEC. 8. It shall be the duty of physicians, inspectors, and other agents and employees of the department, to obey and carry out all orders and instructions of the Board of Health, as said Board may prescribe. They shall wear such uniform, badge or insignia, and perform such duties as may be prescribed by the Board of Health.

SEC. 9. It shall be the duty of physicians and inspectors of the department of health, to arrest and deliver to the police any person found in the act of violating any ordinance, order or regulation relating to the public health; and in so doing, they shall have the same powers and be subject to the same restrictions as members of the police force.

SEC. 10. It shall be unlawful for any person to resist, or in any way interfere with any member of the Board of Health, or any physician, inspector, or other agent or

employee of the department in the discharge of his duty.

SEC. 11. It shall be unlawful for any person to impersonate or falsely represent any member of the Board of Health, or any physician, inspector, or other agent or employee of the department of health, or, not being duly authorized, to wear in public the uniform, badge or insignia adopted for the use of the department.

SEC. 12. The Board of Health is authorized to issue such instructions, approved by

the Provost Marshal General, not in conflict with the provisions of this ordinance,

as may be necessary to carry the same into effect.

SEC. 13. All ordinances, orders and regulations inconsistent with the provisions of this ordinance are hereby repealed, and this ordinance shall take effect and be in force from and after June 25, 1901.

Pursuant to the provisions of Act No. 62, of the United States Philippine Commission, and with the approval of the Military Governor, the following Municipal Ordinance is hereby made, and is issued for the information of all concerned.

#### ORDINANCE No. 12.

#### AN ORDINANCE REGULATING THE PRACTICE OF PHARMACY.

Section 1. It shall be unlawful for any person to compound or dispense the prescriptions of physicians, or to retail, compound, or dispense drugs, medicines, chemicals, or poisons for medicinal use, in the city of Manila, without first obtaining a certificate of registration from the Board of Health, as hereinafter provided.

SEC. 2. The Board of Health shall, at such times and places as it may determine, examine every person applying for such certificate, and shall inspect and consider any diploma or certificate he may present relating to his education or experience as a pharmacist. If the board is satisfied that such person is competent and qualified to practice as a pharmacist, it shall enter him upon the records of the board as a registered pharmacist, and shall issue the certificate of registration provided for in Section 1 of this ordinance. In case the certificate is not granted to any such person, he shall not again apply for registration for a period of six months. The board shall receive from each person so examined the sum of two dollars, and from each person to whom a certificate is issued the additional sum of five dollars, for the use of the city.

Sec. 3. It shall be unlawful for any person to establish or conduct any pharmacy or store for the purpose of compounding prescriptions, or of retailing, compounding or dispensing drugs, medicines, chemicals, or poisons for medicinal use, in the city of Manila, without first obtaining a license therefor. The application for such

license shall be accompanied by:

(a) The owner's certificate of registration from the Board of Health, or, in case the owner is not registered, the certificate of the registered pharmacist who is to be in charge of the pharmacy.

(b) A plan of the rooms in which the business is to be conducted.

(c) A list of employees, specifying the particular work in which each is to engage. SEC. 4. Any person desiring to register as a Chinese druggist or pharmacist, shall submit to the Board of Health, in addition to such other evidence as may be required,

a certificate from the Chinese Consul that such person is competent and qualified to conduct a Chinese drug store or pharmacy, according to the laws and customs of the Chinese Empire. Certificates and licenses issued under such registration shal.

authorize the sale of such drugs and medicines to Chinese only.

Sec. 5. Any person desiring to retail paints, acids, chemicals, or other poisonous or dangerous substances for use in the arts or trades, but not to conduct or engage in the business of a pharmacist, shall not be required to register with the Board of Health, but shall otherwise make application for a license in the manner bereis required for pharmacists. Said application shall be submitted to the Board of Health, and its recommendation obtained before the license is issued.

Six. 6. A sign shall be displayed outside the entrance to every pharmacy inscribed: "Pharmacy of .......(licentiate)." In case the owner of said pharmacy is 

a conspicuous place in said pharmacy.

SEC. 7. It shall be the duty of every owner or proprietor of a pharmacy:
(a) To provide a seal, stamp or printed label containing the inscription required in Section 6, and to affix the same to every prescription, bottle, box, or other package containing medicine sold in said pharmacy, with the name of the prescribing physician in case of prescriptions;

(b) To distinctly mark every prescription, bottle, box or other package containing

any dangerous drug, with the word "Poison;"

(c) To provide a cabinet in which shall be kept all violent poisons, and to cause said cabinet to be locked when not in use.

(d) To file all prescriptions, when filled, in a book kept for that purpose;

(e) To keep a book in which shall be recorded all sales of poisons, stating the date of sale, the name and address of the purchaser, the name and quality of the poison sold, and the purpose for which it is represented to have been purchased. above books shall be open at all times to the inspection of the Board of Health, the Superintendent of Police, and other authorized officials.

Sec. 8. It shall be unlawful for any registered pharmacist, or the owner of any

pharmacy:

(a) To prescribe medicine for the sick, unless he is also a registered physician;
(b) To sell drugs or medicines without a prescription from a registered physician.

except medicines or drugs for common domestic use, not containing poisons;
(c) To repeat or re-fill any prescription, except by written authority of the physician originally prescribing, which shall be filed with the original prescription;

(d) To fill any prescription containing a dangerous quantity of poison, without

first consulting the prescribing physician, and verifying the same.

SEC. 9. Every registered pharmacist shall be held responsible for the quality of all drugs, chemicals, medicines and poisons he may sell, or keep for sale, except those sold in the original package of the manufacturer, and also those known as "patent medicines;" and it shall be unlawful for him to manufacture, prepare, sell, or administer any prescription, drug, chemical, medicine or poison under any frautiulent name, direction or pretense, or to adulterate any drug, chemical, medicine or poison so used or sold, or to sell or offer for sale such adulterated drug, chemical, medicine or poison. Any drug, chemical, medicine or poison shall be held to be

adulterated within the meaning of this ordinance, if it differs from the standard of quality or purity laid down in the "U. S. Pharmacopea."

SEC. 10. It shall be unlawful for the proprietor of any store or pharmacy to allow any person therein, except a registered pharmacist, to compound or dispense the prescriptions of physicians, or to retail or dispense drugs, medicines, chemicals or poisons for medicinal use, except as an aid to and under the immediate supervision

of a registered pharmacist.

SEC. 11. The Board of Health is authorized to issue such instructions, approved by the Provost Marshal General, not in conflict with the provisions of this ordinance, as may be necessary to carry the same into effect.

Sec. 12. All ordinances, orders, and regulations in conflict with the provisions of this ordinance, are hereby repealed, and this ordinance shall take effect and be in force from and after July 1, 1901.

Pursuant to the provisions of Act No. 62, of the United States Philippine Commission, and with the approval of the Military Governor, the following Municipal Ordinance is hereby made, and is issued for the information of all concerned.

By command of Brigadier General Davis, Provost Marshal General:

CHARLES T. MENOHER, Captain, Artillery Corps, Acting Adjutant General.

ORDINANCE No. 13.

## AN ORDINANCE REGULATING THE KEEPING AND LICENSING OF DOGS.

SECTION 1. Every person who owns or keeps a dog over three months of age shall obtain a license therefor, and shall provide a leather or metal collar to which the license tag hereinafter provided for shall be securely fastened. He shall also muzzle the dog, if so ordered, as hereinafter provided. Failure to comply with any of the provisions of this section shall subject the owner or keeper to a fine of five dollars.

SEC. 2. The Department of Licenses and Municipal Revenue shall keep a register of all licensed dogs, describing the same by name, breed, color and sex, and shall also enter the name and address of the owner and the number of the license tag. It shall provide for each dog so licensed a metal tag, the design of which shall be

changed from year to year.

SEC. 3. The police shall take up and impound all dogs which are not so licensed, or which are found running at large without a collar or license tag, or in any manner contrary to the provisions of this ordinance. Every dog so impounded shall be held for a period of three days from the date of its impounding, at the expiration of which time it shall be sold or killed under the direction of the police, if not redeemed as hereinafter provided.

SEC. 4. Any unlicensed dog so impounded may be redeemed by its owner or keeper, within the said three days, on payment of the license fee, the penalty above prescribed, and a redemption fee of three dollars.

SEC. 5. Any dog impounded for being at large without a collar or tag, may be

redeemed upon payment of the redemption fee of three dollars, and without the further penalty; Provided, That it shall appear from sufficient evidence, that a license for such dog was procured, and a collar was placed around its neck, with license tag attached as herein provided.

SEC. 6. In case of sale, the dog shall become the property of the highest bidder (unless redeemed as hereinafter provided), who shall pay all fees in addition to the amount of the bid. The dog may be redeemed by the owner at any time within one month of the sale, on payment to the purchaser of the actual expenses. If not

so redeemed, it shall become the absolute property of the purchaser.

SEC. 7. It shall be unlawful for the owner or keeper of any fierce or dangerous dog to allow the same to run at large; and if such dog be found at large in any public street or place, or upon other premises than those of its owner or keeper, and shall there annoy or endanger any person, it may be seized and impounded by the police. Upon conviction for the above offense, the owner may be fined not exceeding \$10.00; and it may be part of the sentence that such dog be killed, in which case the sentence shall be forthwith executed under the direction of the Superintendent of Police.

SEC. 8. The police may kill any dog found without an owner or keeper, or at large contrary to the provisions of this ordinance, which cannot be safely taken up and impounded; Provided, that it shall be unlawful to enter private premises to capture, entice or take any dog therefrom, or to seize or molest any licensed dog while led or held by a line or chain by any person, or to kill or attempt to kill a dog at any other

place than the pound, except as specified in this ordinance.

SEC. 9. Any dog which disturbs the peace and quiet of the neighborhood by constant barking or whining, or which is, by reason of disease, malformation or accident, an object of disgust, may, upon petition signed by five or more residents of the neighborhood, be declared a nuisance by the Superintendent of Police, who shall thereupon notify the owner or keeper of such dog to remove or kill it within three days. If said owner or keeper shall refuse or fail to comply with said notice within the time specified, the Superintendent of Police may order said dog to be killed

SEC. 10. The Provost Marshal General may at any time issue an order restraining any or all dogs from running at large, unless securely muzzled or otherwise retrained so as to effectually prevent them from attacking or biting any person or animal. SEC. 11. The license year for dogs shall be from January 1st, to December 31st, inclusive.

SEC. 12. All fees and penalties herein mentioned shall be collected by the Department of Licenses and Municipal Revenue for the use of the city, and all sums of money shall be held to refer to money of the United States.

S.x. 13. The officers and inspectors of the Department of Licenses and Municipal Revenue shall have full police powers for the purpose of enforcing any of the pro-

visions of this ordinance.

SEC. 14. All ordinances, orders, and regulations inconsistent with the provisions of this ordinance are hereby repealed, and this ordinance shall take effect and be in force from and after July 1, 1901.

## ORDINANCE No. 15.

## AN ORDINANCE REGULATING THE MANUFACTURE AND SALE OF FOOD AND DRINK.

SECTION 1. It shall be unlawful to sell or offer for sale any meat or fish, or any manufactured or cooked food or drink, except in public markets, without first obtain-

ing a license therefor in the manner provided by ordinance. Such licenses shall not be issued without the approval of the Board of Health.

SEC. 2. It shall be unlawful to kill for food any pig or calf less than five weeks old, or any lamb less than eight weeks old, or to sell or offer for sale the meat from such animal; to kill for food any animal when in a diseased, overheated, or feverish condition; or to kill for food any cattle except in authorized slaughter-houses under the regulations governing the same.

SEC. 3. It shall be unlawful to sell or offer for sale any meat or fish that has died of disease or injury, or that was diseased when killed; or any meat not killed or cared for under regulations approved by the Board of Health; or any meat, fish,

fruit, or vegetables not fresh, wholesome, or safe for human food.

SEC. 4. It shall be unlawful to cart or carry through the streets any meat designed for sale, unless it be so covered as to protect it from dust, dirt, flies, and insects; or to cart or carry any live cattle or swine while bound or tied by their legs or bound

down by their necks.

SEC. 5. It shall be unlawful to sell or offer for sale as food any meat or dead animal until the same has been fully cooled after killing, or until the entrails, head, and feet (except of poultry and game, and except the head and feet of swine) shall have been removed; or to offer for sale as food any live animal except poultry.

SEC. 6. It shall be unlawful to manufacture for sale, sell, or offer for sale any article of food or drink which is adulterated; but nothing in this section shall be held to prohibit the manufacture, sale, or offering for sale of articles in general use as food or drink, which are really mixtures; provided said mixtures or compounds shall contain nothing injurious to health. Any article shall be deemed to be adulterated within the meaning of this section: (a) if any substance has been mixed with it so as to reduce, lower, or injuriously affect its quality or strength; (b) if any cheaper or inferior substance has been substituted, wholly or in part, for the article; (c) if any valuable constituent of the article has been wholly or in part abstracted; (d) if it be an imitation, or sold under the name of another article; (e) if it consist, wholly or in part, of diseased, decomposed, putrid, or rotten animal or vegetable substance; (f) if damage or defect be concealed by artificial means, whereby the article is made to appear of a higher quality or of a greater value than is actually the case; (g) if it contain any ingredient which may render it unsafe or injurious to health. Sec. 7. The owner, keeper, or manager of any premises where food or drink is manufactured, stored, kept, sold, or offered for sale, shall keep and maintain such

premises and everything used therein or appurtenant thereto in a clean and wholesome condition, and shall not allow the food or drink sold or offered for sale on such premises to be poisoned, infected, or otherwise rendered unsuitable for human consumption. In case any refrigerator or ice box is used on such premises it shall be suitably lined so as to be water tight, and provided with a pipe to carry off the

drainage.

SEC. 8. It shall be unlawful to bring into the city, or to sell or offer for sale any milk that is not fresh and wholesome, or that has been watered, adulterated, reduced or changed in any respect by the addition of water or other substance, or by the removal of cream: provided, that milk from which any part of the cream has been removed may be offered for sale and sold, if the fact is publicly advertised on the cart or in the place of business of the vendor, or made known to the purchaser at the time of sale. The term "adulterated milk" shall be held to include: (a) milk containing more than eighty-eight per cent. of water or fluids; (h) milk containing less than twelve per cent. of milk solids; (c) milk containing less than three per cent. of lats; (d) milk drawn from animals within fifteen days before or five days after parturition; (e) milk drawn from animals fed on distillery or brewery waste, any substance in a state of fermentation or putrefaction, or any unwholesome food; (f) milk

drawn from cows in a diseased or unhealthy condition, or kept in a crowded or unsuitable place; (g) milk from which any part of the cream has been removed; (h) milk to which has been added water or any foreign substance whatever.

SEC. 9. It shall be unlawful to manufacture for sale, sell or offer for sale any condensed milk in which the fats are less than twenty-five per cent. of the milk solids contained therein, or to which any foreign substance, except sugar, has been added.

SEC. 10. In the manufacture of serated waters, all water used shall be rain or aqueduct water, either distilled, or filtered and boiled; all syrups shall be made of purcane sugar; and all substances shall be free from poisonous or other ingredients dangerous or injurious to health.

SEC. 11. In the manufacture for sale, or keeping for sale of any article of drink, it shall be unlawful to use any tap, faucet, tank, fountain, vessel, pipe, or conduit of brass, lead, copper, or other metallic substance, that may, by contact with such liquids, form unwholesome or dangerous compounds.

SEC. 12. It shall be unlawful to use well water for drinking purposes, except from

such wells as are authorized by written permit from the Board of Health.

SEC. 13. The Board of Health is authorized to inspect and analyze all articles of food and drink at any time during the period of manufacture and sale, and to condemn and destroy the same if not conforming to the standards herein established.

Sec. 14. The Board of Health is authorized to issue such instructions, approved by the Provost Marshal General, not in conflict with the provisions of this ordinance, as

may be necessary to carry the same into effect.

SEC. 15. All ordinances, orders, and regulations inconsistent with the provisions of this ordinance are hereby repealed, and this ordinance shall take effect and be in force from and after July 25, 1901.

By command of Brigadier General Davis, Provost Marshal General:

ARTHUR R. KERWIN, First Lieutenant, 13th U. S. Infantry, Acting Adjutant General.

GENERAL ORDERS,
No. 44.

HEADQUARTERS PROVOST MARSHAL GENERAL,
(SEPARATE BRIGADE, PROVOST GUARD),
Manila, P. I., July 27, 1901.

Pursuant to the provisions of Act No. 62, of the United States Philippine Commission, and with the approval of the Military Governor the following Municipal Ordinance is hereby made, and is issued for the information and guidance of all concerned:

ORDINANCE No. 16.

AN ORDINANCE REGULATING THE CONSTRUCTION AND REPAIR OF BUILDINGS.

SECTION 1. It shall be unlawful to erect, construct, alter, or repair a building or structure of any description within the city limits, except in the manner hereinafter

provided

SEC. 2. For the purpose of inspection and regulation of buildings and structures erected or to be erected therein, the City of Manila is divided into two building districts: The inner to be known as the District of Strong Materials, the outer as the District of Light Materials. The boundary line between said districts shall be as follows: Beginning at a point at the junction of Boca de Vitas with Manila Bay at low water mark, thence running east in a straight line through the northern extremity of the Puente Pretil, to a point 100 meters east of the same; thence south in a straight line to a point on the west side of Calle Antonio Rivers, 50 meters from its intersection with Calle Azcarraga, Tondo; thence in a straight line parallel with and following the center line of Calle Lopez de Vega, Santa Cruz, to the northern extremity of Calle Reten, Sampaloc, and to a point 30 meters east of the extremity of Calle Reten; thence southerly in a straight line parallel with Calle Reten and 30 meters east of the same, to a point 30 meters north of Calle San Anton; thence easterly parallel with Calle San Anton and 30 meters north of the same for a distance of 200 meters, to a point in the rear of Sampalor church garden; thence southerly in a straight line, to a point 30 meters north of the eastern extremity of Calle Lavanderos; thence in a broken line easterly, 30 meters from Calle Alix and running parallel to it, 280 meters to a point 50 meters east of the Plaza Sampaloc; thence in a straight line south to the Pasig River; thence down the Pasig River to the mouth of the Estero Paco; thence southerly in a straight line, to a point in the Estero at the western terminus of Calle San José; thence following the line of the Estero de Paco southerly

to a point 30 meters south of Calle Herran; thence westerly in a straight line parallel with Calle Herran, to a point 30 meters east of Calle Nueva; thence southerly in a straight line parallel with Calle Nueva, to a point 30 meters beyond the southern terminus of Calle Nueva; thence in a straight line westerly to the Bay, crossing Calle

Real, Malate, at right angles.

SEC. 3. All buildings and structures hereafter erected or repaired within the district of strong materials, shall be of stone, brick, iron, steel, substantial wood of an approved kind and quality, or strong material of a similar character; and the use of nipa, bamboo, cogon, and other light materials in the construction or repair of buildings and structures in said district is prohibited. The provisions of this section shall not apply to: (a) bamboo fences around small cottages and vacant plots of ground; but such fences shall not be nearer than six meters to any house, and shall not exceed two and a half meters in height; (b) close woven matting secured to the under side of the rafters or purlins of small metal-roofed houses, for protection against heat radiation; but there shall be a ventilated air space of at least twelve centimeters between the matting and the roof, and no part of such matting shall be exposed to view beneath the eaves; (c) sheds or shelters for temporary use only, erected in accordance with written permit from the Superintendent of Buildings.

SEC. 4. In the district of light materials, nipa, bamboo, cogon, and other light materials of similar character may be used in the construction and repair of buildings and other structures: Provided, that every building so constructed within this district shall have a clear space of not less than six meters separating it on all sides from adjacent buildings. Fences of bamboo or other light materials shall not exceed

two and a half meters in height.

SEC. 5. No permits shall be granted for the material alteration or repair of buildings of light material now standing in the district of strong materials. All such buildings shall be removed from the Districts of Intramuros, San Nicolas and Binondo before the first day of January, 1902; from the parts of the Districts of Santa Cruz, Quiapo, San Miguel, Sampaloc, Ermita, and Malate, included in the district of

strong materials, before the first day of July, 1902; and from all parts of the district of strong materials before the first day of January, 1903.

SEC. 6. It shall be unlawful to construct, alter, or repair any building without first obtaining a permit therefor from the Superintendent of Buildings. Before the construction, or material alteration of any building of strong materials, written application for a permit shall be made by the owner, lessee, or agent of the property. Accompanying said application shall be a plan showing the location of the building and property, on a scale of not less than 1/2500, and plan sections and elevations on a scale of not less than 1/100. When a new building is to be constructed, or material alterations or repairs are to be made on a building of importance, such plans shall be accompanied by specifications. Said plans and specifications shall be prepared and signed in duplicate by a competent architect or civil engineer. One copy of the plans and specifications shall remain in the office of the Superintendent of Buildings. There shall also be filed with said application a written statement signed by the owner, setting forth: (a) the location of the proposed building or structure; (b) the general dimensions of the building and the number and height of stories; (c) the dimensions of joists and timbers, and the distances between the same; (d) the dimensions of supporting iron or wood work; (c) for what purpose the building in desirance of the transfer of the same (c) for what purpose the building in desirance of the same (c) for what purpose the building is designed, and the estimated cost of the same. Application for permits for the construction or material alteration of buildings of light materials shall be accompanied by the written statement above described, and, together with applications for permits for repairs of a general nature of all buildings, shall be accompanied by such plans and specifications as may be required by the Superintendent of Buildings. Upon the issue of the permit, the owner or his agent shall sign an agreement that he will perform the work in accordance with the plans, specifications, and detailed statement submitted. Said permit shall be void if the work is not entered upon within thirty days, and completed within the period named in the permit, unless an extension is granted.

SEC. 7. It shall be unlawful to repair any building or structure which shall have been damaged by fire or decay to the extent of fifty per cent. of its value. the judgment of the Superintendent of Buildings, any building is so damaged, he may condemn the same, and shall immediately notify the owner or his agent to remove the same within ten days. If the owner or agent objects to the decision of the Superintendent of Buildings, he may appeal to three arbitrators, one to be named by the Superintendent of Buildings, one by the owner of the property, and one to be chosen by the two arbitrators so named. The owner, upon making the appeal, shall pay twelve dollars to the Superintendent of Buildings, which shall be in full of all costs The arbitrators so named shall make a written report in duplifor such arbitration.

cate, under oath, as to the amount and extent of such deterioration or damage, and this decision shall be final and conclusive. One copy shall be given to the owner and one copy to the Superintendent of Buildings. If the owner, or his agent, shall fail to remove said building within ten days after notice, or, in case of appeal, within ten days after an adverse decision thereon by said arbitrators, the Superintendent of Buildings shall proceed to tear down and remove said building, at the expense of the owner, and such expense shall be a lien on the property. The expense of such removal shall be in addition to any fine or penalty which may be imposed for violation of the provisions of this ordinance.

SEC. 8. It shall be the duty of the Superintendent of Buildings, or some inspector by him authorized, to visit the site of every building for which a permit is granted, and indicate to the builder the street lines, and the building lines on rivers and It shall be unlawful to erect a building or structure, or any part thereof, so as to encroach upon such lines; and if any building or structure, is so erected, it

shall be removed at the expense of the owner.

SEC. 9. There shall be a clear sidewalk space of not less than two meters from curb line to building, on all streets of eight meters or more in width between curb lines; and not less than one and one-half meters on streets from five to eight meters in width between curb lines. Sidewalk space shall be measured from and perpendicular to the curb line, as established by the City Engineer, and shall not be encroached upon by posts, pillars, or fences.

Sec. 10. The expense of sidewalk construction or extension shall be borne by owners of abutting property. In case a curb is necessary it shall be constructed at the expense of the city. Both curb and sidewalk shall be constructed under the supervision of the City Engineer in accordance with uniform specifications to be made by him. Sidewalks shall be maintained and kept in repair by the owners of abutting property, in accordance with regulations prescribed by the Superintendent of Streets.

Sec. 11. Every corner building on streets less than twelve meters in width shall be made with a truncated angle at the corner. The octagonal angles so formed shall be not less than three meters from the point of intersection of the adjacent building lines produced. Buildings. The amount of the cut shall be determined by the Superintendent of Buildings. If the owner of the property objects to the decision of the Superintendent of Buildings, he may appeal to the Provost Marshal General whose decision shall be final.

Sec. 12. Projecting window bars or awnings shall be at least two and one-half meters above the sidewalk, and shall be supported entirely from the buildings. Upper stories, bay windows, or balconies shall not project more than one meter where the width of the sidewalk from building to curb line is less than three meters. Where the sidewalk is three meters or more in width, upper stories may project over the same to the curb line, provided they are supported by posts set not less than twentyfive centimeters clear inside the curb line. Such posts shall not be of greater horizontal dimensions than twenty-five centimeters at the base when the building is of two stories, and such dimensions shall not be greater than thirty-five centimeters in Upper stories covering the entire width of sidewalk as in this section provided, shall be at least three meters above the sidewalk.

Sec. 13. The strength of parts and combinations of material used or to be used in the construction of buildings, shall be determined according to the rules and quanti-ties given in "Trautwine's Engineer's Pocket Book." The minimum factors of safety shall be as follows: For wood, wrought iron, and steel, four; for all cast metals, six; for masonry, eight. The superior and first groups of native timber, as classified by the Bureau of Forestry, shall be assumed to be equal in strength to the best quality of American white oak; the second group of rative timber, to the best quality of Georgia yellow pine; and the third and fourth groups of native timber, to the best white pine. This classification shall govern until the strength of the several grades of

timber have been accurately determined.

Sec. 14. All building materials shall be of good quality; shall conform to trade and manufacturer's standards, and be subject to the approval of the Superintendent of Mortar shall be made with such proportion of sand as will insure a proper degree of cohesion and tenacity. Mortar exposed to the constant action of water, shall be composed of one part of Portland (hydraulic) cement, to three parts of sand. The best lime mortar shall be used for other purposes.

Sec. 15. Foundations shall be so proportioned that the pressure shall not exceed twenty tons per square meter, which shall be the maximum safe bearing power of the soil. The foundation of every brick or stone building shall be built of stone, concrete, or brick, and shall reach to a depth of fifty centimeters below the general surface of the ground. Isolated piers shall extend at least one meter below the surface of the ground. face of the ground. In composite buildings of masonry and framework, the uprights of the framework shall extend into the foundations or piers not less than fifty

centimeters, but shall not extend through the footing. In the construction of buildings with walls of masonry, the foundations, if of stone, shall be of a better class than "Guadaloupe." Concrete, if used, shall be composed of a suitable mixture of hydraulic cement, sand, and broken stone or gravel. No wooden pile or timber foundation shall be permitted above the lowest level of seepage water.

Sec. 16. Outside masonry walls, not containing framework, shall have a minimum thickness of one-sixth of their height. Masonry partition walls, not containing framework, shall have a minimum thickness of thirty centimeters. Outside masonry walls shall be securely bonded at the corners, partition walls securely bonded into the main walls, and framework securely bonded in with the backing. No main wall shall be of greater length than twice its height without meeting with partition walls

for support.

SEC. 17. Buttressed masonry walls, without framework, shall have a thickness of at least thirty centimeters between buttresses, and such walls with framework shall have a thickness of at least twenty centimeters between buttresses. Said buttresses shall not be more than six meters apart, and the thickness of the wall shall be considered as half the thickness of the projection of the buttresses beyond the face of

the connecting wall, plus the thickness of the connecting wall.

SEC. 18. Masonry walls, not containing framework, shall not be more than one story in height, except in buildings used solely as places of public worship. Composite walls of masonry and framework may be four stories in height, and shall be of the minimum thickness designated in the following table:

|                                                                      | 1st story    | 2d story       | 3d story     | 4th story    |
|----------------------------------------------------------------------|--------------|----------------|--------------|--------------|
|                                                                      | centimeters. | centimeters.   | centimeters. | centimeters. |
| One story high Two stories high Three stories high Four stories high | 40<br>60     | 20<br>40<br>60 | 20<br>40     | 20           |

All plans of buildings of more than one story in height shall show the details of the framework complete. Said framework shall be so designed and braced as to support the roof and floors of the building independent of the masonry filling, and to withstand a wind pressure of 200 kilometers per hour against roof and sides. Where wood is used for framework the same shall not be completely enclosed by masonry, but shall be left exposed on one face. All frames in composite walls shall be securely tied at the corners and intersections.

SEC. 19. The height of stories shall be measured from floor surface to floor surface, except in the case of upper stories, which shall be measured from floor surface to level of eaves. No story shall be less than three meters, nor more than five meters in

height.

Sec. 20. In tenements, dwellings, apartment houses, or hotels, each floor shall be of sufficient strength to support an imposed weight of 340 kilograms per square In warehouses, factories, and similar structures, all floors shall be so designed and constructed as to bear safely the loads which may be placed upon them. Floor joists shall be connected by cross bridges at intervals of every five meters of length. Floor joists and beams shall be secured to walls and to each other by iron anchors and straps, so that there shall be a tie running from wall to wall across the entire building at intervals of not to exceed three meters. Ground floors in the district of strong materials shall be of substantial wood, or paved with stone, brick, or concrete, and shall be not less than twenty centimeters above the grade of the sidewalk curb. All beams and joists shall have a bearing on their supports of at least ten centimeters.

SEC. 21. Lintels and girders shall be proportioned so as to bear the superincumbent weight with a factor of safety of four. Openings more than two and one-half meters in width shall be spanned by a steel girder or properly designed arch. Lintels or girders shall not rest directly upon brick work, but upon bed plates of cast

SEC. 22. The framework of buildings, when not filled with masonry, shall be braced with diagonals at the corners; and the frame alone shall have sufficient stability to resist a wind of 200 kilometers per hour against the area of roof and sides.

SEC. 23. The projection of upper stories beyond the lines of the first story shall be formed by the floor beams and rafters without the use of brackets. Such beams and rafters shall not be notched deeper than three centimeters at the point of leaving the wall or wall plate.

SEC 24. In the district of strong materials all roof coverings shall be of galvanized

iron, tile, or similar non-combustible material.

SEC. 25. All roof trusses shall be of steel or substantial timber, so designed and constructed as to support, in addition to their own weight and the weight of the purlins and rafters, a uniform load of 185 kilograms per square meter over the entire roof surface, and to resist a wind of 200 kilometers per hour against an area equal to the vertical projection of the entire roof. All roofs shall be securely anchored to their supporting walls or timbers, through their trusses or rafters, and all component parts of the roof shall be firmly bound together. Attics under tile roofs shall be provided with substantial flooring of timber, hollow tile, or concrete; and all supporting timber for tile covering shall be accessible for inspection. The length of span of steel trusses is not limited, but their support shall be such that the pressure on the same shall be safe for the material used, according to the factor of safety hereinbefore prescribed. Steel roof trusses of more than ten meters span, shall be so constructed as to allow for expansion and contraction due to change of temperature. clear span of wooden roof trusses shall not exceed twelve and one-half meters.

SEC. 26. All houses in the district of strong materials shall be provided with guttering and down spouts, and pipes or drains sufficient to carry off all rain water from such spouts to the street gutters. All such pipes or drains shall pass beneath

the sidewalk.

SEC. 27. Every building constructed in interior court yards shall have a clear space of six meters surrounding it on all sides; and no such building shall exceed six meters in height. In the district of strong materials, sheds or stables shall not exceed six meters in height, and shall not be constructed on the street front.

SEC. 28. Water tanks over buildings shall be supported by the masonry walls,

when possible; otherwise by a special support which shall conform in all respects to the provisions of this ordinance, concerning the quality of materials and factors of

safety.

SEC. 29. In the district of strong materials every kitchen and other place where fires are kept shall be provided with a suitable chimney of sheet iron, with conical spark arrester. Such chimneys shall be supported by iron work; shall have a height of at least one meter above the eaves of any building within a distance of ten meters, and shall be at least twenty centimeters from any wood work. At the point of leaving the building the intervening space shall be filled by sheet iron or brick work. All chimneys shall pass through the roof, and no opening for the same shall be made in the walls of the building.

SEC. 30. Smokestacks shall not be constructed of brick or masonry for a height of more than fourteen meters. Higher stacks shall be of steel. Smokestacks shall be provided with spark arresters, and shall be secured to withstand a wind of 200 kilometers per hour, with a factor of safety of four. All smokestacks shall have a height of at least five meters above the eaves of any building within a distance of fifty meters, and shall be at least one meter from any wood work.

SEC. 31. Every building hereafter constructed or altered to contain an assembly or

audience hall capable of holding 800 or more persons (excepting buildings used solely for public worship), and every theater or building used for theatrical or operatic purposes, or public entertainments of any kind in which stage scenery and apparatus are employed, shall be constructed in accordance with the provisions of this section: (a) It shall have at least one frontage on a public street, and shall have an entrance (b) The audience hall and each gallery shall have at least and exit on such street. two exits, which shall be as far apart as possible. Each exit shall have a width of at least fifty centimeters for each 100 persons which the hall or gallery from which it leads can accommodate. The word "Exit" in English and Spanish shall be painted or printed conspicuously over each exit, in letters not less than fifteen centimeters high. (c) All doors shall open outward, and shall be so arranged as not to reduce the width of the passage. (d) Each division of the auditorium shall have an adjoining lobby of sufficient size to furnish standing room for as many persons as the division can accommodate. (e) Stairways shall have hand rails on each side, firmly secured to strong supports, or to the walls of the building. There shall be no flight of more than twenty steps, and no step shall be less than one and one-half meters long in the clear. Such steps shall not have more than nineteen centimeters rise, nor less than twenty-live centimeters tread. (f) There shall be a firewall of brick between the stage and the auditorium, which shall extend at least one meter above the roof. The proscenium arch shall be the only opening in said wall above the level of the stage, and all openings below the level of the stage shall be provided with self-closing doors covered with sheet iron. Material above the proscenium arch shall be supported by an iron girder covered with fireproof material, and in the brick work over the girder there shall be a relieving arch to assist in supporting the imposed weight. (g) The curtain shall be at least one meter from the footlights. (h) All seats, except those in the boxes shall be firmly secured to the floor, and no seat in the auditorium shall have more than six seats intervening between it and the aisles. (i) Aisles or passageways shall be at

least 110 centimeters wide at the narrowest point, and shall increase in width towards the point of exit, at least two centimeters for every meter of length. Grades of aisles shall not exceed twenty centimeters per meter of length. (j) Ventilator shafts of sufficient capacity, and lined with fireproof material, shall be provided, and the same shall extend at least one meter above the roof. The roof over the stage shall have skylights equal in area to one quarter of the stage area, and said skylights shall be arranged so as to open automatically in case of fire. (k) Floors shall be of sufficient

strength to support an imposed weight of 580 kilograms per square meter.

SEC. 32. It shall be unlawful to install or repair any steam boiler without a permit from the Superintendent of Buildings. All applications for the installation or repair of steam boilers shall be filed with the Superintendent of Buildings, and notice of said application shall be published in two daily newspapers printed and of general circulation in the city of Manila, once each day for ten consecutive days, at the expense of the applicant; and any person living in the neighborhood of the place where it is proposed to install said steam boiler, may, within the said ten days, file his objections thereto with the said Superintendent of Buildings, who shall consider the same with the application, and may, in his discretion, grant or refuse the per-Any person deeming himself aggrieved by the decision of the Superintendent of Buildings, may appeal to the Provost Marshal General, whose decision shall be

Enacted, December 5, 1901.

#### [Ordinance No. 3.]

AN ORDINANCE amending ordinance No. 16, entitled "An ordinance regulating the construction and repair of buildings.

Be it ordained by the Municipal Board of the City of Manila, that:

SECTION 1. The words "City Engineer" are hereby substituted for the words "Superintendent of Buildings," and the words "Municipal Board" for the words "Provost Marshal General," wherever they appear in said Ordinance.

SEC. 2. Section 2 of said Ordinance is hereby amended to read as follows:

"For the purpose of inspection and regulation of buildings and structures erected or to be erected therein, the city of Manila is divided into two building districts: the inner to be known as the District of Strong Materials, and the outer as the District of Light Materials."

"The boundary line between said districts shall be as follows:—Beginning at a point on Manila Bay 30 meters north of the intersection of Calle Moriones with said Bay, thence running easterly 30 meters from and parallel to the general course of Calle Moriones in Tondo and Calle Zurbacan in Santa Cruz, and the straight line joining the same, to Calle Felix Huerta in Santa Cruz; thence in a south east direction to a point on the Valencia Estero, 30 meters north of the Valencia Bridge scalled, on Calle Santa Mesa; thence following said Valencia Estero in a southerly direction to the River Pasig; thence following the River Pasig in a south-westerly direction to the mouth of the Paco Estero, so called; thence following the Paco Estero in a general S. E. direction to a point 30 meters south of the Paco Bridge on Calle Herran; thence S. W. 30 meters from and parallel to Calle Herran, to a point 30 meters east of Calle Nueva; thence in a S. E. direction 30 meters from and parallel to Calle Nueva, Malate, to a point 30 meters beyond the southerly terminus of Calle Nueva; thence in a straight line west to the Bay, crossing Calle Real, Malate, at right angles."

SEC. 3. Section 4 of Ordinance No. 16 is hereby amended to read as follows:

"In the district of Light Materials, nipa, bamboo, cogon and other light materials of similar character may be used in the construction and repair of buildings and other structures: Provided, however, that every building so constructed within this district shall have a clear space of not less than one and one half meters separating it in all directions, except on the street side, from the limits of the lot upon which said building is constructed. Buildings on the same lot shall be separated by a clear space of not less than three meters, in case either building is of light material. Fences of bamboo or other light materials shall not exceed two and a half meters in height."

SEC. 4. Section 5 of said Ordinance is hereby amended to read as follows:

"No permits shall be granted for the material alteration or repair of buildings of

light materials now standing in the district of Strong Materials."

SEC. 5. Section 6 of said Ordinance is hereby amended by striking out the words "architect or civil engineer" in the 13th line of said section, and inserting in lieu thereof the words "person holding a permit. Such permits shall be issued by the City Engineer in his discretion."

Also by striking out the word "thirty" and substituting therefor the word

"sixty" in the last line but one.

SEC. 6. Section 7 of said Ordinance is hereby amended to read as follows:

"Whenever in the judgment of the City Engineer any building has been damaged from any cause to such an extent as to be dangerous for use or unfit for repair, he may condemn the same and shall immediately notify the Municipal Board of such action, and if the same is approved, shall notify the owner or agent to remove the condemned building. If the owner or agent objects to such decision, he may appeal to three arbitrators, one to be named by the City Engineer, one by the owner of the property, and one to be chosen by the two arbitrators so named. The owner upon making the appeal, shall deposit twelve dollars with the City Engineer, which shall be in full of all costs for such arbitration. In case the decision of the arbitrators is favorable to the owner, this sum shall be returned to the depositor and the costs shall be borne by the city. The arbitrators so named shall make a written report in duplicate, under oath, as to the amount and extent of such deterioration or damage, and whether, in their opinion, said building is dangerous and unfit for repair, and this decision shall be final and conclusive. One copy shall be given to the owner and one copy to the City Engineer. If the owner, or his agent, shall fail to remove said building within thirty days after notice, or in case of appeal, within thirty days after an adverse decision thereon by said arbitrators, the City Engineer shall proceed to tear down and remove said building, at the expense of the owner and such expense shall be a lien on the property. The expense of such removal shall be in addition to any fine or penalty which may be imposed for violation of the provisions of this ordinance."

SEC. 7. Section 8 of said Ordinance is hereby amended to read as follows:

"All buildings or structures hereafter erected on the banks of the Pasig River and esteros shall have a clear space of three meters between said buildings and the line of the river and esteros as indicated by the City Engineer. It shall be the duty of the City Engineer or some inspector by him authorized, to visit the site of every building for which a permit is granted, and indicate to the builder the street and curb lines, and the building lines on rivers and esteros. If any building or structure does not conform to the provisions of this section, it shall be removed at the expense of the owner."

SEC. 8. Section 9 of said Ordinance is hereby amended to read as follows: "In all streets where the curb line is hereafter established, the public way shall be so distributed as to leave not less than the following clear sidewalk space:

WIDTH OF STREET.

WIDTH OF SIDEWALK.

Twelve (12) meters and over. Eight (8) to twelve (12) meters. Five (5) to eight (8) meters.

Four (4) meters. Two and one half  $(2\frac{1}{2})$  meters. One and three quarters (13) meters.

"In streets less than 5 meters in width the sidewalk line shall be established by the City Engineer in his discretion."

SEC. 9. Section 10 of said Ordinance is hereby amended to read as follows:

"Sidewalks shall be built of granite, brick, cement or stone of the following classes: China, San Esteban, Mariveles, Montalbon or Romblon, at the expense of the owners of abutting property. In case a curb is necessary, it shall be constructed at the expense of the city. Both curb and sidewalk shall be constructed under the supervision of the City Engineer in accordance with uniform specifications to be made by him. Sidewalks shall be maintained and kept in repair by the owners of the abutting property, in accordance with regulations prescribed by the City Engineer."

Sec. 10. Section 12 of said Ordinance is hereby amended to read as follows:

"No part of a building hereafter constructed shall project over the street or public way. All brackets, gratings, balconies and other projections less than 2 meters and 9 centimeters above the sidewalks shall be removed."

Sec. 11. Section 18 of said Ordinance is hereby amended by striking out the figures "200" and substituting therefor the figures "125" in the fifth line from the last in

Sec. 12. Section 19 of said Ordinance is hereby amended to read as follows:

"The height of stories shall be measured from floor surface to floor surface, except in the case of upper stories, which shall be measured from the floor surface to level

No story shall be less than three meters in height.

"It shall be unlawful to construct any mezzanine floor, or to maintain any mezzanine floor already constructed, except upon written permission of the Board of Health and subject to its regulations. SEC. 23. A violation of any of the provisions of this Ordinance is hereby declared a misdemeanor punishable by a fine not exceeding one hundred dollars (\$100.00), or by imprisonment not exceeding six (6) months, or both, in the discretion of the

court, for each offense.

SEC. 24. All ordinances, orders, or regulations, or parts thereof, inconsistent herewith, are hereby repealed and this ordinance shall take effect and be in force from and after the 20th day of December, 1901.

Enacted, December 16, 1901.

#### [Ordinance No. 4.]

#### AN ORDINANCE concerning infectious or contagious diseases.

By it ordained by the Municipal Board of the City of Manila, that:

SECTION 1. The provisions of this ordinance shall apply to every ship, vessel, steamer, boat or craft, lying or being in the river or other waters within the jurisdiction of the city of Manila, and to every house, tent, van, shack, hovel, out-house,

barn, cabin or other place in the said city.

SEC. 2. Every physician attending or called in to visit or examine any case of infectious or contagious disease in said city, shall immediately cause such case to be properly isolated, and at once notify the Board of Health by telephone or messenger, specifying the disease, name and address of the person, and shall within twenty-four hours mail to the Board of Health the postal card of notification provided by said Board. Any subsequent case of the same disease occurring on the same premises, shall be reported in like manner. Public hospitals, dispensaries, asylums, convents, boarding schools, infirmaries or prisons shall provide and maintain a suitable room or rooms or place for the isolation of persons infected with contagious diseases.

SEC. 3. The term "A case of infectious or contagious disease" for the purpose of this ordinance shall be held to include any person sick of, or affected, or attacked by any of the following named diseases: Cholera, smallpox, chicken pox, plague, diphtheria (including membranous croup), ship or typhus, typhoid, spotted, relapsing, yellow, or scarlet fever, measles, glanders, leprosy, or anthrax, and shall further include any new disease of an infectious, contagious or pestilential nature, and also any disease publicly declared by the Board of Health for the Philippine Islands to

be dangerous to public health.

SEC. 4. Pulmonary tuberculosis is hereby declared to be an infectious and conta-

gious disease, dangerous to public health.

It shall be the duty of every physician in said city to report to the Board of Health in writing, on the blanks furnished for such purpose, every person afflicted with this disease, within one week of the time when said disease first came under his observation.

It shall be the duty of the managers, commissioners, superintendent or physician in charge of each and every public and private hospital, dispensary, asylum, infirmary, or warden of prisons, principals or teachers of public or private schools or convents, and officers of other public institutions in said city, to report to the

Board of Health, in writing, on blanks furnished for such purpose, every person

afflicted with such disease who is in their care.

It shall be the duty of every person sick with this disease, and of every person in attendance upon anyone sick with this disease, and of the authorities of public and private institutions, to observe and enforce all sanitary rules and regulations of the Board of Health for preventing the spread of pulmonary tuberculosis.

Sec. 5. Whenever any person in said city is suffering from any infectious or conta-

SEC. 5. Whenever any person in said city is suffering from any infectious or contagious disease, or is suspected of suffering from any such disease, and no physician is in attendance or called in to visit or examine such person, it shall be the duty of the person in charge of such case to properly isolate the same, and to immediately

notify the Board of Health.

SEC. 6. The term "person in charge of such case," as used in section 5, shall be held to mean: 1st, the head of the family in which such case belongs; 2d, in his absence or disability or in the event that he be the person sick, the nearest relative of such case present on the premises; 3d, in the absence of such relative, the person in

charge of the premises or any person in or about the same.

Sec. 7. It shall be the duty of the Board of Health to strictly quarantine any building, locality, steamer, vessel or other craft within the jurisdiction of the city, when, in the opinion of said Board it is necessary, and to immediately display or cause to be displayed one or more suitable flags or warnings, or both, in some conspicuous position or positions upon, at or near the infected building, locality, steamer, vessel or other craft, so that the same can be distinctly seen. During the period of quarantine, it shall be unlawful for any person to enter or leave said infected building, locality, steamer, vessel, or other craft, or to take any article therefrom, or to remove, destroy, deface or conceal any flag or warning thereon, without the written authority of said Board.

remove, destroy, deface or conceal any flag or warning thereon, without the written authority of said Board.

SEC. 8. It shall be the duty of every person in said city to be successfully vaccinated at intervals of one year. Every person in said city exposed to the infection of smallpox (including varioloid), shall at once be vaccinated successfully or vaccinated a sufficient number of times, at intervals of two weeks, to render it evident that successful vaccination is impossible. The Board of Health of said city shall, through its vaccinators, inspect all persons and see that the provisions of this section have been complied with, and shall, when necessary, vaccinate or re-vaccinate any person, unless such person shall present a certificate from a registered physician, specifying

that the provisions of this ordinance have been complied with.

SEC. 9. The Board of Health shall issue such instructions in pursuance of this ordinance as may be necessary or expedient for the promotion of public health, or to

prevent the introduction or spread of infectious or contagious diseases.

SEC. 10. No person shall molest, hinder, or in any way prevent the Board of Health, or any of its representatives or employees from performing any duty imposed on it or them by the provisions of this ordinance, or any instructions issued in pursuance thereof.

SEC. 11. Any person violating any of the provisions of this ordinance shall, upon conviction thereof, be fined not exceeding one hundred dollars (\$100.00), or impris-

onment not exceeding six (6) months, or both.

SEC. 12. Ordinance No. 1, of the Provost Marshal General, dated April 6, 1901, and all other orders, ordinances and regulations and parts thereof, inconsistent herewith, are hereby repealed and this ordinance shall take effect and be in force from and after the 20th day of December, 1901.

Enacted, December 16, 1901.

## [Ordinance No. 5.]

AN ORDINANCE relating to buildings and premises infected with bubonic plague.

Be it ordained by the Municipal Board of the City of Manila, that:

SECTION 1. When the Board of Health shall declare a building or premises in which bubonic plague or rats infected with bubonic plague have been or may be found to be a nuisance by reason thereof, said Board shall notify the owner or agent of such action in writing and direct him to abate the nuisance. It shall also notify him in writing what alterations and repairs are necessary to abate the nuisance and to put the building or premises in sanitary condition, so as to free them from infection and make the same as near rat-proof as possible. The Board may also notify in writing the occupant of such building or premises to vacate the same within 48 hours from the time the notice is served.

SEC. 2. The Board of Health shall inspect and supervise the alteration and repair of said building or premises, and when the same are completed in accordance with

its instructions, shall issue a certificate to that effect.

SEC. 3. In case the Board of Health orders a building or premises vacated, it shall be unlawful for any person to occupy said building or premises, or for the owner or agent to permit or allow the same to be done, until the Board of Health has issued the certificate mentioned in the previous section.

SEC. 4. In case the Board of Health declares a building or premises a nuisance and orders alterations and repairs, as hereinbefore provided, it shall be unlawful for the owner or agent to neglect or refuse to abate such nuisance by making the alterations

or repairs as directed.

Six. 5. In case the owner or agent of any building or premises declared a nuisance as hereinbefore provided, shall neglect or refuse to abate the same as directed, the City Engineer shall cause the alterations or repairs to be made under the supervision of the Board of Health, and said owner shall be chargeable with the expense which may be incurred in the removal thereof, which may be collected by suit or otherwise.

SEC. 6. Any person violating any provision of this ordinance shall, upon conviction thereof, be punished by fine not to exceed one hundred dollars (\$100), or

imprisonment not to exceed six (6) months, or both, for each offense.

SEC. 7. All ordinances and orders, or parts thereof, inconsistent herewith, are hereby repealed, and this ordinance shall take effect and be in force on and after the twenty-fifth day of December, 1901.

Enacted, December 16, 1901.

#### [Ordinance No. 36.]

AN ORDINANCE relating to the sale and supply of electricity and telephone service and the inspection and installation of electric wires, meters, and other apparatus.

Be it ordained by the Municipal Board of the City of Manila, that:

SECTION 1. The senior electrician employed in the Fire Department shall be the City Electrician, and is charged with the supervision of the sale and supply of electricity and telephone service, the inspection and installation of electric wires, meters, and other apparatus, and the enforcement of all laws and ordinances relating thereto.

SEC. 2. The City Electrician shall, as frequently as practicable, and at least once in each calendar year, inspect all wires and other apparatus installed or used for generating, containing, conducting, or measuring electricity, or in the sale or supply of electricity or telephone service, shall issue to the owner or user thereof a certificate of the result of such inspection, and shall condemn all such wires or other apparatus as are dangerous or defective, causing those condemned as dangerous to be remedied or removed forthwith at the owner's expense, and notifying the owner or user of any defective nondangerous wire or other apparatus that such wire or apparatus has been condemned and to remedy or remove the same. If the owner or user so notified objects to such condemnation, he may appeal to three arbitrators, one to be named by the City Electrician, one by the owner or user, and one to be chosen by the two arbitrators so named. The owner or user, upon making the appeal, shall deposit ten dollars with the City Electrician, which shall be in full of all costs of such arbitration. If the decision of the arbitrators is favorable to the owner or user, the ten dollars shall be returned to him and the costs of arbitration shall be borne by the city. The arbitrators shall make a written decision in duplicate, under oath,

whether, in their opinion, the wire or other apparatus is defective, and this decision shall be final and conclusive, and one copy of it shall be given to the owner or user and the other to the City Electrician. If the owner or user shall fail to remedy or remove the condemned wire or other apparatus within ten days after notice, or, in case of appeal, within ten days after the receipt of a copy of an adverse decision thereon by said arbitrators, the City Electrician shall proceed to remedy or remove such wire or other apparatus at the owner's expense, and such expense shall be in addition to any fine or penalty which may be imposed upon the owner or user for violation of the provisions of any law or ordinance.

SEC. 3. No person shall maintain or use any telephone line not having a double circuit excluding the ground, or any wire or conductor in any such line not perfectly insulated or offering a greater resistance than forty-two ohms per kilometer at a tem-

perature of twenty degrees Centigrade.

Sec. 4. No person shall maintain or use any system for supplying electric light, heat, or power unless each conductor is of sufficient area and conductivity to transmit twice the current it is installed to supply at the voltage herein authorized at a temperature of less than sixty-six degrees Centigrade, and is covered with waterproof material insuring insulation; each circuit is protected at its junction with the next adjacent circuit by a circuit breaker so arranged that its fusion will occur before the adjacent circuit attains a temperature of sixty-six degrees Centigrade; and each conductor, where it passes through a wall or partition or crosses another conductor, is covered with a second insulating wrapper, itself covered by a layer of noncombus-tible material. And no person shall maintain or use any system for supplying electric light, heat, or power other than for the operation of an electric railway, unless each circuit thereof is cut off from all connection or communication with the ground.

SEC. 5. No person shall maintain or use any system for supplying electric light, heat, or power, the voltage in any circuit of which at any time exceeds three thousand volts, or throughout which secondary grounded wires are not maintained, or which does not conform in all respects to the rules and requirements of the National Board of Fire Underwriters contained in the National Electric Code for the year nineteen hundred and one, as modified by the special provisions of this ordinance. A copy of said National Electric Code for the year nineteen hundred and one shall be certi-

fied as official by the secretary of the Municipal Board and filed herewith.

SEC. 6. No person shall maintain or use any wire, meter, or other apparatus in the

sale, supply, or use of electricity or telephone service which has not been inspected and certified as correct by the City Electrician.

Sec. 7. No person shall erect or alter any wire, meter, or other apparatus maintained or used in the sale, supply, or use of electricity or telephone service, specification. cations of which have not first been filed with the City Electrician and his written permit for such erection or alteration obtained. Upon the completion of any such erection or alteration plans thereof shall be filed with the City Electrician by the person to whom the permit was issued.

SEC. 8. Every person maintaining or using any system for supplying electricity shall immediately shut off the current from the whole or any part of such system in time of fire at the direction of the Chief of the Fire Department or any person acting under him; and the Chief of the Fire Department or any person acting under him shall have power, in time of fire, to disconnect such electric currents or circuits and

remove such electric wires or other apparatus, as he may deem necessary.

SEC. 9. No person shall maintain any dead wire outside of any building, and the owner of any such wire shall remove the same within ten days from the receipt of a notice so to do from the City Electrician: Provided, That dead telephone wires detached from the building in which the same have been used, and grounded at the nearest pole, may be maintained in as good condition as if they were in use.

SEC. 10. The City Electrician shall inspect and test all new electric meters, and all electric meters disconnected for repairs, before the same shall be connected for use, and, when found correct, shall place on each such meter a certificate of correctness, together with the date of said inspection and test. No electric meter shall be so certified correct which runs irregularly, or which registers over three per cent more or less electric current than actually passes through it. Every person shall, on the first day of each quarter, deliver to the City Electrician a correct list of all electric meters furnished or used for measuring electricity supplied by him, giving the size and number of each meter and its location.

SEC. 11. Upon the application of any consumer for an inspection and test of the meter through which electricity is supplied to him, he shall deposit with the City Electrician the sum of five dollars, United States currency, and take a receipt therefor. The City Electrician shall thereupon notify the person supplying the electricity measured by such meter to disconnect said meter and remove the same to the office

of the City Electrician within five days after the receipt of such notice, and to place in its stead another meter bearing the certificate of the City Electrician. son so notified shall comply with the direction of such notice within the said period. Should the City Electrician desire to be present in person, or by an assistant, at the time of disconnecting said meter, he shall fix the hour therefor in said notice between eight o'clock antemeridian and five o'clock postmeridian on one of the said five days, at which hour a representative of the said person shall meet the City Electrician with a meter certified correct to be put in place of the one to be removed. Should the City Electrician find such removed meter correct, he shall pay the five dollars, and the amount of any disputed bill, deposited by the consumer to the said person supplying the electricity, and take a receipt therefor; but should said meter be found to be incorrect, the City Electrician shall return said five dollars and the amount of any disputed bill deposited to the consumer and furnish the said person and the said consumer with a certificate of the inspection and test.

SEC. 12. No person other than the City Electrician or his assistant shall deface, alter, or remove any certificate, card, or stamp placed by the City Electrician upon any electric meter, or place upon any such meter a certificate, card, or stamp pur-

porting to be that of the said City Electrician.

SEC. 13. No person supplying electricity shall cut or shut the same off from a consumer because of any dispute as to the correctness of any bill for electricity due from any such consumer to any such person, pending the inspection and testing of the Every such person shall readjust any such bill in accordance with the result of such inspection and test by the City Electrician for the time, not exceeding one month, during which said meter has been used. No person supplying electricity shall cut or shut off the current from any consumer so long as such consumer shall comply with all lawful requirements, or without at least two days' notice in writing to such consumer stating the reason for such action: Provided, That such consumer shall deposit the amount of any disputed bill with the City Electrician and apply for an inspection and test of his meter within five days after the receipt by him of the disputed bill for electricity, and the City Electrician shall inspect said meter within five days thereafter; and nothing herein shall be construed as prohibiting any such person from cutting or shutting off the supply of electricity when a consumer is in arrears in the payment of any bill therefor for fifteen days.

SEC. 14. Any person supplying electricity shall have the right to furnish each new consumer, and each consumer requiring a new meter, with a meter for measuring such electricity, either by sale or lease, at a price or rental not exceeding that at which such consumer can buy or rent a standard meter in the open market. If the price or rental asked by such person for the meter exceeds such market price or rental, the consumer may purchase or rent a standard meter in the open market and install the same, and such person shall thereafter supply the consumer with electricity

measured by the meter so purchased or rented and installed.

SEC. 15. No person supplying electricity or telephone service shall fail to supply such electricity or service to any applicant for the same within fifteen days after the date of his application, and, as between such applicant and other like applicants in the order of the date of his application, up to the limit of the capacity of such person's plant, to be determined by the City Electrician on the application of such person or such applicant: *Provided*, That the point at which the electricity or service is to be supplied is not more than five hundred feet from any street or other public place upon or along which any conductor or line is maintained or used by such person: And provided further, That where such point is more than one hundred feet from any such street or other public place in the case of electricity, the applicant shall agree in writing to use and pay for sufficient electricity to operate ten sixteencandlepower incandescent lamps until midnight during each night of the first year of such supply.

SEC. 16. No person shall destroy, mutilate, deface, or otherwise injure or tamper with, or tap, or otherwise wrongfully deflect or take any electric current from, any wire or other apparatus installed or used for generating, containing, conducting, or measuring electricity, or in the sale or supply of electricity or telephone service.

SEC. 17. The City Electrician shall keep books in his office in which he shall enter

a record of each inspection or test made by him, giving the date, the location of the wires or other apparatus inspected, the name of the person owning or installing the same, the name of the consumer for whom the same were installed, and a general description of the wires or apparatus inspected and the method of such inspection; the number of each electric meter tested, and the method of such test; and all the proceedings of his office. Each certificate of inspection or test made by the City Electrician shall contain the date and result of the inspection or test, the location of the wires or other apparatus tested and the name of the party owning the same or
